Order Medication
by Mail

Florida Blue  

Convenience and savings are on their way.

Use PrimeMail®, your health plan's mail order pharmacy, for up to a 90-day supply of medication. If you take medication to treat chronic conditions or diseases such as arthritis, asthma, high cholesterol, hypertension or heart conditions — it's a great way to save time and money.

Here's what you'll get . . .

- An average of 33%* savings or more per medication.
- Prescriptions delivered anywhere in the U.S.
- Free shipping for standard delivery.
- A pharmacist you can talk to any day, any time.
- A reminder when it's time to refill your medication.
- Easy ways to request refills by phone and online.
- Notification when your medication has been mailed.

*A 90-day mail order supply may cost less than going to your pharmacy each month for a 30-day supply. See your mail order benefits for details.

Here's How

To Order New Prescriptions . . .

- 1. While you're at the doctor's office, ask for two prescriptions for each medication.**
 - One for a 30-day supply that you fill at a participating retail pharmacy for immediate use.
 - One for a 90-day supply to be filled by PrimeMail.
- 2. Complete a Pharmacy Mail Order Form**
 - You can find a mail order form at www.floridablue.com.
- 3. Mail your order to PrimeMail.** You can send multiple prescriptions and payments in one order. Be sure to include:
 - Your completed Mail Order form.
 - Your original 90-day supply prescription.
 - Your payment.

To Transfer Current Prescriptions . . .

Call PrimeMail at 1-888-849-7865.

They'll do the rest, even call your doctor to transfer the prescriptions.

All you'll need is:

- The Member Number found on your ID card.
- Your prescription information.
- Your doctor's name and phone number.

Order refills before you need your medication.

To refill your medication, simply call PrimeMail at [1-888-849-7865](tel:1-888-849-7865) and enter your prescription number or log in at floridablue.com.

See the Pharmacy section to refill your order.

We're here when you have questions.
