

Meet Alex

Need help to decide? This year, you will have ALEX.

ALEX is an online tool you can use to learn more about TRS-ActiveCare plan options available to you and decide which works best for you and your family. ALEX collects some simple information and walks you through benefits, features and costs – without all the insurance jargon.

Let ALEX:

- Help you understand and compare plan options
- Explain health benefits terms
- Show you how different plan features work – deductibles, coinsurance, out-of-pocket maximums
- Walk you through estimating tax savings with a health savings account (if you are considering the ActiveCare 1-HD plan)

When you are done, ALEX will summarize his recommendations on your own personal benefits web page. Just click the link to restart the conversation any time.

ALEX can help you make sense of it all!
