Recurring Payments Will Make Your Life Easier:

- It's convenient - saving you time and postage
- Your payment is always on time, eliminating late charges

Here's How Recurring Payments Work:

You authorize regularly scheduled charges to your checking or savings account. You will be charged the amount indicated below each billing period. A receipt for each payment will be emailed to you and the charge will appear on your bank statement as an "ACH Debit." You agree that no prior-notification will be provided unless the date or amount changes, in which case you will receive notice from us at least 10 days prior to the payment being collected.

I understand that this authorization will remain in effect until I cancel it in writing, and I agree to notify Arlington ISD in writing of any changes in my account information or termination of this authorization at least 15 days prior to the next billing date. I understand that because this is an electronic transaction, these funds may be withdrawn from my account as soon as the above noted periodic transaction dates. In the case of an ACH Transaction being rejected for Non Sufficient Funds (NSF) I understand that Financial Benefit Services may at its discretion attempt to process the charge again within 30 days, and agree that additional charge may apply for each NSF. I acknowledge that the origination of ACH transactions to my account must comply with the provisions of U.S. law. I agree not to dispute this recurring billing with my bank so long as the transactions correspond to the terms indicated in this authorization form.
