What to expect from your dental plan:

Think about this: Your dentist tells you that you need a complicated dental procedure best performed by a specialist. Would you have the resources to keep that appointment?

CompBenefits' CS Series dental plan makes that decision a lot easier. The CS Series provides you the opportunity to visit any of the General Dentists in our network as well as the alternative of seeing a network Specialist Dentist to complete these intricate procedures.

Your CompBenefits' CS Series dental plan also provides you with routine cleanings and x-rays every six months, topical fluoride for children up to 16 and local anesthesia, among others.

With our exhaustive schedule of benefits, you will know up front how much your co-payment will be, and for procedures that may not be listed on the CS Series schedule, you'll receive a 25 percent discount off a network dentist's usual fees.

Additionally, CompBenefits' CS Series gives you freedom from deductibles, claim forms, waiting periods, or benefit maximums.

frequently asked questions

Q. *What are CS Series DHMO plans?*

A. CompBenefits' CS Series DHMO plans are network-based products that emphasize prevention and cost containment. In order to receive services, you select a primary dentist who participates in the CompBenefits DHMO network. The plan provides for quality care and allows members to seek care from in-network specialty dentist at fixed co-payments. These plans provide savings ranging from 20 percent to 60 percent off regular dental procedures. The plans do not cover services (except emergency care) received from out-of-network dentists.

Q. *How does the plan work?*

A. Your primary dentist will provide all of your routine dental care. When you visit your primary care dentist, simply present your CompBenefits identification card. You may be required to pay a co-payment for some services provided by your primary care dentist. If the dental services provided are not listed as covered procedures under the plan, primary care dentists will give you a 25 percent discount off their usual fees. Should you require the services of a specialty dentist, you can choose any in-network specialty dentist under the CompBenefits DHMO plan. All in-network specialists will provide services at the co-payment listed on your schedule of benefits. The co-payments are billed by the participating dentist at the time of service, so there are no claims forms to file. You pay your dentist directly, if applicable.

Q. *How many times a year can I visit my dentist?*

A. You are encouraged to visit your dentist regularly. With your CompBenefits' CS Series Plan, you are not limited to a specific number of visits per year.

Q. *How do I make appointments?*

A. Making an appointment is easy. Once you have selected your participating dentist, simply call the dental office on or after the date you receive your certificate of coverage and make your appointment. Your enrollment information will already be at or on its way to your participating dentist's office, confirming that you are eligible for treatment.

Q. *What if I need a specialty dentist?*

A. When you need treatment from a specialty dentist you can visit one of the participating specialty dentists from our network, and you will only be responsible for the co-payment listed on your schedule of benefits.

Q. *Is there any maximum coverage limitation?*

A. No, there are no maximum coverage limitations.

Q. *How do I pay for services?*

A. You make your co-payments to the dentist at time of service.

Q. *What if I go to a non-participating dentist?*

A. You will not be eligible for benefits from a non-participating dentist. You must seek treatment from the participating dentist you selected.

Q. *Can I change participating dentists?*

A. Yes. You can easily change dentists by contacting our Customer Care department at 800-233-4013. You can also change your dentist by logging onto www.mycompbenefits.com.

Q. *Can I go online to find out more about my plan or get assistance?*

A. Yes. You can visit www.mycompbenefits.com to learn about your plan, to check your benefits, to use our Provider Locator, to change your dentist selection, to send us an e-mail and more.

Q. *How do I order an ID card?*

A. You can download and print a temporary ID card or order a new ID card at www.mycompbenefits.com, or you can call our Customer Care department at 800-233-4013.

Voluntary+ PPO

frequently asked questions

Q. *How does an Elite Preferred dental plan work?*

A. Under our PPO plans, you do not have to pre-select a primary dentist. When you want dental services, make your appointment with any licensed dentist. When you receive treatment from a CompBenefits PPO dentist, your costs will be reduced. Once services are performed, you or your dentist must file a claim form in order to receive reimbursement. Your claim will be paid based on your group's schedule of benefits. The plan will pay a percentage of the eligible charges, up to the plan's annual limit for benefits.

Q. *How do I select an in-network dentist?*

A. You may choose a participating PPO general dentist from our preferred provider directory available online at www.mycompbenefits.com. Participating general dentists in our network are conveniently located near your home or office. CompBenefits reviews each participating dentist's credentials before he or she is selected to join our network. By using an in-network dentist, you will receive the maximum benefit of your plan.

Q. *How do I select an out-of-network dentist?*

A. By choosing a general dentist not included in the preferred provider list at www.mycompbenefits.com, you have selected an out-of-network provider. You will be charged the dentist's usual fees for treatment. When you use an out-of-network dentist, your out-of-pocket costs will be typically greater than using an in-network dentist.

Q. *When is predetermination required?*

A. If planned treatment is going to cost more than \$200, you should ask your dentist to file for predetermination of benefits prior to treatment. Predetermination is not necessary for emergency treatment.

Q. *How does my bill get paid?*

A. Each dentist bills separately. Your dentist may agree to file your insurance claim for you. If he or she does not, however, you may be required to pay the entire bill at time of service and will need to submit a claim to CompBenefits for your reimbursement. Your reimbursement will be based on whether you have met any applicable deductible or coinsurance amounts or not. All financial arrangements concerning payment are strictly between you and your dentist and should be determined prior to treatment.

Q. *Where do I send my claims?*

A. You can get a claim form from your Group Benefits Administrator, from CompBenefits' Customer Care department or from our Web site, www.mycompbenefits.com. Mail your claim to:
Humana Specialty Benefits
P.O. Box 14283
Lexington, KY 40512-4283

Q. *Can I go online to find out more about my plan or get assistance?*

A. Yes. After you enroll, you can visit www.mycompbenefits.com to learn about your plan, to check your benefits, to use our Provider Locator, to change your dentist selection, to send us an e-mail and more.
