

Are you taking a specialty medication?

Your employer is providing a new service to enrolled members in your current health plan. It's a new prescription drug benefit and advocacy program provided through SHARx.

The SHARx program procures these targeted medications for members through alternate access points – many times at \$0 cost to the member.

Want to know how you can get enrolled? Scan the QR code or check out the link below!

What is SHARx?

SHARx is a pharmacy advocacy solution provided by your employer. This program was created to extend advocacy program benefits to employees like you. Our role is to help facilitate the advocacy onboarding process for each eligible member of your employer's health plan and provide access for all specialty medications.

Getting on board: It's as easy as 1, 2, 3!

1

Member creates an account from the link provided in the welcome email

2

Member verifies personal and prescription information

3

Member signs HIPAA form (must not be using internet explorer)
