

**Option to Port Term Life and AD&D Insurance Coverage for Employees of
The Tulsa FOP 93 Health and Welfare Trust & Their Dependents**
Underwritten by Minnesota Life Insurance Company

What is portable coverage?

As a former employee of the Tulsa FOP 93 Health and Welfare Trust, you may elect to continue your Basic and Supplemental Term Life and the coverage of your dependents. To continue dependent coverage, you must continue your own supplemental coverage.

Who is eligible for the portable Term Life plan?

Employees: All life coverage terminates when the employee reaches age 85. All AD&D coverage terminates when the employee reaches age 70. You may continue coverage otherwise lost due to retirement, termination of employment or loss of eligibility. You are not eligible to continue coverage if you were not actively at work due to sickness or injury on the day before you retire or if the employer has canceled the group policy.

Dependents: An employee may continue coverage for his or her dependents only if the employee continues his or her own supplemental coverage.

How much insurance can be continued?

Employees: You may continue all or a portion of your Basic and Supplemental Term Life coverage currently in force, with a minimum of \$10,000 and a maximum of \$500,000 (age reductions apply – see page 3). Basic AD&D coverage will automatically port with any ported Basic Life election.

Spouses: You may continue all or a portion of your spouse insurance currently in force, to a maximum of \$150,000.

Children: You may continue all or a portion of your child insurance currently in force.

How can I continue my coverage?

Complete the Portability Election form and send it to Minnesota Life within 31 days from the date the coverage would otherwise terminate.

Mail completed form to Minnesota Life Insurance Company, Group Administration Department, 400 Robert Street North, St. Paul, MN 55101 or fax it to 651-665-4827.

Will I need to answer health questions?

No. All coverage is continued without proof of good health.

How long can I continue my insurance?

All coverage terminates when the employee reaches age 85. Coverage for a dependent child terminates at age 26. Coverage may be continued beyond these age limits for a disabled child - call Minnesota Life for details. Coverage for all dependent children will cease when the coverage on the employee or spouse who is carrying his/her insurance terminates.

How do I calculate my monthly premium?

Divide the amount of insurance by \$1,000. This is the number of units of insurance. Multiply the units of insurance by the rate listed for your age in the above table. This is the monthly premium.

Example: A 49-year-old employee requests to continue \$100,000 of supplemental coverage.

\$100,000 divided by 1000	=	100	Units of insurance
Employee only coverage		$\times 0.32$	Monthly rate per unit for 49-year-old employee
		\$32.00	Total monthly cost of employee's ported Supplemental Term Life insurance

This sample employee's total monthly cost for porting \$100,000 of Supplemental Term Life insurance is \$32.00.

What are my billing options?

Minnesota Life will bill you for the first premium payment after receiving your completed election form. Future premiums may be billed quarterly, semi-annually or annually, or, you may elect monthly premium payments through Electronic Funds Transfer (EFT) and you will not be billed; premiums will automatically be deducted from your checking account on a monthly basis.

A \$2.00 fee is charged *per premium payment* for administrative fees, unless billed annually or EFT is being used.

Where do I submit the form?

Mail completed form to Minnesota Life Insurance Company, Group Administration Department, 400 Robert Street North, St. Paul, MN 55101 or fax it to 651-665-4827.
