INFOARMOR®
IDENTITY PROTECTION EXPERTS

Every 2 seconds, another American becomes a victim of identity fraud.

InfoArmor uses proactive, unparalleled identity monitoring to uncover identity fraud at the source. As careful as you may be with your personal information, bits & pieces of your identity can be found everywhere. InfoArmor can identify fraudulent activity up to 90 days sooner and on a broader scope than credit monitoring. If they detect suspicious activity, a Privacy Advocate will act as a dedicated case manager on behalf of the victim and resolve the issue from start to case completion.

- High Risk Transaction alerts detect more fraud sooner, including unauthorized account access, fund transfers & password resets
 - Monitors over 700 billion data elements daily
 - Internet Surveillance & interactive, easy-to-read Digital Identity report
 - Includes \$25,000 identity fraud expense policy
 - Wallet Armor — a secure, online repository to quickly replace contents of a lost or stolen wallet, using state-of-the-art technology to include real-time card monitoring of the Underground Internet
- Available to member, spouse/domestic partner and all legal dependents.
