

Critical Illness

Heart attacks, cancer and strokes happen every day and often unexpectedly. They don't give you time to prepare and can take a serious toll on both your physical and financial well-being. Chubb Critical Illness pays cash benefits directly to you that you can use to help with your bills, your mortgage, your rent, your childcare—you name it—so you can focus on recovery.

Every 40 seconds

someone has a heart attack.¹

1 in 3

Americans don't have enough money readily available to cover an unexpected \$400 expense.²

Available coverage choices

Employee	\$10,000; \$20,000; or \$30,000 face amounts
Spouse	\$10,000; \$20,000; or \$30,000 face amounts
Child	Included in the employee rate

No benefits will be paid for a date of diagnosis that occurs prior to the coverage effective date. Covered individuals must be treatment free from cancer for 12 months prior to diagnosis date and in complete remission. There is no pre-existing conditions limitation. All amounts are Guaranteed Issue — no medical questions are required for coverage to be issued.
