BROKER COMPENSATION DISCLOSURE STATEMENT

Policyholder Name: Prosper Independent School District
Policy Number: 147312 001

Your insurance or benefits advisor can offer you advice and guidance as you select the policy and provider most appropriate for your needs. At Unum we recognize the important role these professionals play in the sale of our products and services and offer them a variety of compensation programs. Your advisor can provide you with information about these programs as well as those available from other providers. We support disclosure of broker compensation so that customers can make an informed buying decision.

Brokers may be eligible to receive Base Commissions and Supplemental Commissions from Unum.

Unless you have agreed in writing to compensate the broker differently, Unum provides Base Commissions to all brokers in connection with the sale of an insurance policy. Base Commissions are a fixed percentage of the policy premium, and include a one time, first year, flat amount for each policy sold. Base Commissions are paid by Unum to your broker as long as they remain the broker of record on your policy.

A broker may also qualify for Supplemental Commissions paid by Unum. For group insurance products, Supplemental Commissions may be paid in an amount equal to a fixed percentage of total group insurance premiums. The Supplemental Commission percentage may range from 0% to 2.5% of total premiums paid, depending on the total dollar amount of all eligible insurance premiums or number of group policies that the broker had in force with Unum in the prior calendar year.

For the calendar year 2009, the broker(s) named below is scheduled to receive the following compensation, as a percentage of total group premiums, including any group insurance premiums paid by you in connection with the above referenced policy. Please note that the Supplemental Commissions rate may be lower for premiums received in the second and subsequent policy years.

<u>Broker Name</u>	<u>Base Commission</u>	<u>Supplemental Commission</u>
B & B Insurance Network Services LLP	YES	NO
Financial Benefits Services LLC	NO	2.00%

Your broker may also be eligible to receive Supplemental Commissions on other insurance products, which may be calculated differently. The premium you pay is not impacted whether or not your broker receives Supplemental Commissions.

If you would like additional information about the range of compensation programs our company offers for your group insurance policy or any other Unum insurance product, you can find more details at www.unum.com. Should you have other questions not addressed by the website, including the Supplemental Commission percentage applicable to your broker, or if you want to speak to us directly about broker compensation, please call 1-800-633-7491.
