

Keep up with eye exams and eyewear with Vision Insurance.

Flexible benefits that may save you money.

 Eye exams

 Eyewear

 Laser vision correction

Why is having a good vision plan so important?

Routine vision exams are not only important for your eyes. They may also help catch early signs of serious problems, such as diabetes, high blood pressure, heart disease, certain cancers and other conditions.¹

That's why, even if you have perfect vision, yearly exams are important.
