

Cash benefits when you need them most – Cancer Insurance from Chubb

A cancer diagnosis and treatment can be an emotionally and physically difficult time. Chubb is there to help support you by providing cash benefits paid directly to you. Benefits are paid if you are diagnosed with cancer, but also help cover many other cancer-related services such as doctor’s visits, treatments, specialty care, and recovery. However, there are no restrictions on how to use these cash benefits—so you can use them as you see fit.

Choose the right level of coverage during the enrollment period to better protect your family.

Cash benefits for every step of the way

Additional plan benefits

Renewability	Conditionally Renewable Coverage is automatically renewed as long as the insured is an eligible employee, premiums are paid as due, and the policy is in force.
Portability	Portability Employees can keep their coverage if they change jobs or retire while the policy is in-force.
Continuity of coverage	Included
Pre-existing conditions limitation	A condition for which a covered person received medical advice or treatment within the 12 months preceding the certificate effective date.
Waiver of premium	Included

Definitions and provisions

Continuity of coverage	<p>If the certificate replaced another cancer indemnity certificate or individual policy, your coverage under the certificate shall not limit or exclude coverage for a pre-existing condition or waiting period that would have been covered under the policy being replaced.</p> <p>Benefits payable for a pre-existing condition or during the waiting period will be the lesser of the benefits that would have been payable under the terms of the prior coverage if it had remained in force; or the benefits payable under the certificate.</p> <p>Time periods applicable to pre-existing conditions and waiting periods will be waived to the extent that similar limitations or exclusions were satisfied under the coverage being replaced.</p> <p>Continuity of coverage is only extended to the benefits provided under the certificate. The certificate may not include all the benefits provided under the prior coverage.</p>
Definition of cancer	<p>Cancer means carcinoma in situ, leukemia, or a malignant tumor characterized by uncontrolled cell growth and invasion or spread of malignant cells to distant tissue. Cancer is also defined as cancer which meets the diagnosis criteria of malignancy established by the American Board of Pathology after a study of the histocytologic architecture or pattern of the suspect tumor, tissue, or specimen.</p> <p>Carcinoma in situ means a malignant tumor which is typically classified as Stage 0 cancer, where the tumor cells still lie within the tissue of the site of origin without having invaded neighboring tissue.</p> <p>The following are not considered cancer: Pre-malignant conditions or conditions with malignant potential; non-invasive basal cell carcinoma of the skin; non-invasive squamous cell carcinoma of the skin; or melanoma diagnosed as Clark's Level I or II or Breslow less than .75mm.</p>
Plan descriptions	Refer to the Certificate of Coverage for details specific to each plan.

Exclusions and limitations

No benefits will be paid for a date of diagnosis or treatment of cancer prior to the coverage effective date, except where continuity of coverage applies.

No benefits will be paid for services rendered by a member of the immediate family of a covered person.

We will not pay benefits for other conditions or diseases, except losses due directly from cancer or skin cancer.

We will not pay benefits for cancer or skin cancer if the diagnosis or treatment of cancer is received outside of the territorial limits of the United States and its possessions. Benefits will be payable if the covered person returns to the territorial limits of the United States and its possessions, and a physician confirms the diagnosis or receives treatment.
