

NO-COST

RxHome Delivery

Do you take maintenance medication for high blood pressure, cholesterol or another chronic condition? If so, get a 30 to 90 day supply delivered directly to your home.

- **No Cost** - Home delivery and shipping are free to employees and their dependents.
- **Convenient** - Medications are delivered quickly, conveniently and securely right to your home within 10 business days.
- **No Worries** - If your medication includes temperature-sensitive drug products, your package will arrive in cold packs.
- **Save Time** - Contact your CareATC provider within 14 days of needing a Rx refill to ensure seamless delivery of your next supply. No trips to the health center or pharmacy required. *Some prescriptions will include automatic refills and others will require your provider approval.*

Our pharmacy partner, Sav-Rx, will send you communication via email, text, or phone when your prescription has been shipped.

Three easy ways to schedule an appointment:

Here's how it works

Established Patients: Use the CareATC app or call 918.948.6360 and request to begin receiving your medications through mail order.

New Patients:

1. Become an established patient. Schedule a New Patient visit with a CareATC provider today.
2. Bring a list or supply of your prescriptions, including strengths and dosages, to your first appointment. Don't forget to include over-the-counter medications.
