

Accident

You do everything you can to stay active and healthy, but accidents happen every day. An injury that hurts an arm or a leg can hurt your finances too. Chubb Accident pays cash benefits directly to you regardless of any other coverage you have. Benefits can be used to help cover health plan gaps for out-of-pocket expenses like deductibles, copays, and coinsurance.

Choose from 1 of 2 plans

Exclusions and Limitations*

No benefits will be paid for services rendered by a member of the immediate family of a covered person. No benefits will be paid for an injury that is caused by, contributed to, or occurs as a result of: 1) being intoxicated, or under the influence of alcohol, narcotic or other prescription drug unless taken in accordance with Physician's instructions; 2) participating in an illegal activity or attempting to commit or committing a felony; 3) committing or attempting to commit suicide or intentionally injuring oneself; 4) having dental treatment except for such care or treatment due to injury to sound natural teeth within twelve (12) months of the covered accident; 5) war, or serving in any of the armed forces or its auxiliary units; 6) participation in any contest using a motorized vehicle. No benefits will be payable for sickness or infection including physical or mental condition that is not caused solely by or as a direct result of a Covered Accident.

*Please refer to your Certificate of Insurance at <https://www.myaisdbenefits.net> for a complete listing of available benefits, limitations and exclusions. Underwritten by ACE Property & Casualty Company, a Chubb company. This information is a brief description of the important benefits and features of the insurance plan. It is not an insurance contract. This is an accident only policy and does not pay benefits for loss from sickness.
