1 Quickly download the EOI Status Report data for the previous 6 months across all divisions. You can also change the Group ID and/or Division by using the dropdowns, if they have access to multiple divisions, this controls the details view in Section 3.

2 Provides the option to:

- Search by member name and show all search options such as Member Last Name, Coverage, EOI Status and Date Range (within six months)
- Access dynamic notes and instructions
- Download an excel file of Email status list

You will now receive weekly email notifications when an EOI Status change has occurred for your group. You can opt out of receiving these notifications at any time.

3 Status grid which provides such items as status detail, coverages, and amounts. The icon in the far right column is used to check all records to see if there is any correspondence available for it; with the last correspondence shown.

We are committed to making it easier to manage employee benefits.
