IMPORTANT TIPS BEFORE YOU BEGIN ENROLLMENT

FAQS

CAN YOU HAVE BOTH AN HSA AND FSA?

No, you can only choose to enroll in one or the other, you cannot contribute to both HSA and FSA.

WHAT IF YOU ARE CURRENTLY ENROLLED IN FSA AND WANT TO SWITCH TO HSA ON 9/1/2024?

If you are currently enrolled in a FSA and will be switching to HSA, be sure to exhaust all of your FSA funds by 8/31/2024.

CAN YOU AND YOUR SPOUSE BOTH HAVE H.S.A AND F.S.A?

Please note that, in general, under IRS regulations, married couples cannot enroll in both a Flexible Spending Account (FSA) and a Health Savings Account (HSA). If your spouse is covered by an FSA that reimburses medical expenses, then you and your spouse are not eligible for the HSA, even if you would not use your spouse's FSA to reimburse your expenses. However, there are some exceptions to the general limitation regarding specific types of FSAs. For more information on whether you can enroll in a specific type of FSA or HSA as a married couple, contact the FSA and/or HSA provider before enrolling or contact your tax advisor for further guidance.
