If school is not in session due to normal vacation or school break(s), actively at work shall mean you are able to report for work with your employer, performing all of the regular duties of your occupation in the usual way for your usual number of hours as if school was in session.

Elimination Period

The elimination period is the length of time you must be continuously disabled before you can receive benefits. Continuity of Coverage

If you were insured under your district's prior plan and not receiving benefits the day before this policy is effective, there will not be a loss in coverage and you will get credit for your prior carrier's coverage.

Pre-existing Condition Waiver

Benefits under this provision are payable for no more than 8 weeks of benefit from the date of disability. After 8 weeks, benefits are subject to a 3/12 pre-existing condition limitation.

Benefit Integration

Your gross disability payment will be reduced immediately by items that may include: workers compensation, disability income or other amounts you receive or are entitled to receive from sabbatical or assault leave plans and the amount of earnings you receive from an extended sick leave plan as described in Louisiana Revised Statutes or any other act or law with similar intent. After you have received monthly disability payments for 12 months, your gross disability payment will be reduced by additional deductible sources of income you receive or are entitled to receive under items that may include: state compulsory benefit laws; automobile liability insurance; legal judgments and settlements; certain retirement plans; salary continuation or sick leave plans; other group or association disability programs or insurance; and amounts you or your family receive or are entitled to receive from social security or similar governmental programs.
