

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
 - Up to \$500,000 for health benefit plans, with some exceptions.
 - Up to \$300,000 for disability income benefits.
 - Up to \$300,000 for long-term care insurance benefits.
 - Up to \$200,000 for all other types of health insurance.
- **Life insurance:**
 - Up to \$100,000 in net cash surrender or withdrawal value.
 - Up to \$300,000 in death benefits.
- **Individual annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

<p>To learn more about the Association and your protections, contact: Texas Life and Health Insurance Guaranty Association 1717 West 6th Street, Suite 230 Austin, TX 78703-4776 1-800-982-6362 or www.txlifega.org</p>	<p>For questions about insurance, contact: Texas Department of Insurance P.O. Box 12030 Austin, TX 78711 1-800-252-3439 or www.tdi.texas.gov</p>

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

Chapter 463 controls if there are differences between the law and this summary.

DESCRIPTION OF COVERAGES AND BENEFITS

This Description of Coverages and Benefits section describes the Critical Illness Coverages and Benefits provided by this Policy. Benefit amounts, benefit periods and any applicable benefit maximums are shown in the *Schedule of Benefits* and may be subject to a Benefit Waiting Period and/or an Elimination Waiting Period before benefits can be paid. The Benefit Amounts shown in the *Schedule of Benefits* will be paid regardless of the actual expenses incurred. Certain words capitalized in the text of these descriptions have special meanings within this Policy and are defined in the *General Definitions* section. Please read these and the *Common Exclusions* sections in order to understand all of the terms, conditions and limitations applicable to these coverages and benefits.

INITIAL CRITICAL ILLNESS BENEFIT

We will pay the Initial Critical Illness Benefit to a Covered Person for the Covered Conditions shown in the *Schedule of Benefits* that are diagnosed while coverage is in force, subject to the conditions and limitations set forth below, and the terms, conditions, limitations and exclusions applicable to all coverage under the Policy.

Initial Critical Illness Benefit Amount

The amount of the Initial Critical Illness Benefit is the Initial Benefit Amount shown in the *Schedule of Benefits*. The amount payable per Covered Condition is the Initial Benefit Amount multiplied by the applicable percentage for the diagnosis of the Covered Condition shown in the *Schedule of Benefits*.

Benefit Condition(s)

The Initial Critical Illness Benefit will only be payable if:

1. The Date of Diagnosis occurs after the Benefit Waiting Period, if applicable;
2. The Date of Diagnosis occurs while the Covered Person's coverage under this Policy is in force;
3. The Critical Illness is a different Covered Condition than any of the Covered Conditions for which an Initial Critical Illness Benefit has been paid;
4. The Covered Condition satisfies the Definition in the Policy;
5. For Heart Attack and Stroke, the Covered Person has an Inpatient admission; and
6. For Severe Sepsis that means the Covered Person was discharged from the Inpatient hospital stay for which an Initial Critical Illness Benefit has been paid and is treatment free for Invasive Cancer or Carcinoma in Situ.

Benefit Limitation(s)

These limitations apply to payments under the Initial Critical Illness Benefit:

1. No more than one Initial Critical Illness Benefit payment will be made regardless of percentage for each Covered Condition shown in the *Schedule of Benefits*;
2. No more than one Initial Critical Illness Benefit will be paid per Covered Condition per Covered Person; and
3. The Skin Cancer Benefit is not payable as an Initial Critical Illness Benefit.

RECURRENCE CRITICAL ILLNESS BENEFIT

We will pay the Recurrence Critical Illness Benefit to a Covered Person when diagnosed with the Recurrence of an eligible Covered Condition shown in the *Schedule of Benefits* while coverage is in force, subject to the conditions and limitations set forth below, and the terms, conditions, limitations and exclusions applicable to all coverage under the Policy.

Recurrence Critical Illness Benefit Amount

The amount of the Recurrence Critical Illness Benefit payable per Covered Condition is the Initial Benefit Amount shown in the *Schedule of Benefits* multiplied by the applicable Recurrence percentage for each Recurrence diagnosis also shown on the *Schedule of Benefits*.

Benefit Condition(s)

The Recurrence Critical Illness Benefit will only be payable if:

1. The Date of Diagnosis occurs while the Covered Person's coverage under this Policy is in force;
2. The Covered Condition satisfies the Definition in the Policy;
3. The Covered Condition is the same as a Covered Condition for which an Initial Critical Illness Benefit has been paid;
4. The Covered Person was treatment free for this Covered Condition and a Physician has determined that the Covered Person has No Evidence of Active Disease.

ELIGIBILITY

EMPLOYEE

An Employee becomes eligible for coverage under this Policy on the date He meets all of the requirements of one of the Covered Classes and completes any Eligibility Waiting Period, as shown in the *Schedule of Benefits*. The Eligibility Waiting Period will not apply to an Employee, in Active Service on the Policy Effective Date, who was covered under the Prior Plan and satisfied the Eligibility Waiting Period, if any, of that plan. Credit will be given for any time that was satisfied.

Except as noted in the Reinstatement Provision, if an Employee terminates coverage and later wishes to reapply, or if a former Employee is rehired, a new Eligibility Waiting Period must be satisfied as shown in the *Schedule of Benefits*. An Employee is not required to satisfy a new Eligibility Waiting Period if coverage ends because he or she is no longer in a Class of Eligible Employees, but continues to be employed by the Employer, and within one year becomes a Member of an eligible class.

SPOUSE AND DEPENDENT CHILDREN

A Spouse and Dependent Children of an eligible Employee become eligible for any dependent coverage provided by this Policy on the later of the date the Employee becomes eligible or the date the Spouse or Dependent Child meets the applicable definition shown in the *General Definitions* section of this Policy. The Employee must be insured under the Policy in order to elect coverage for a Spouse or Dependent Child.

LIMITATIONS ON MULTIPLE ELIGIBILITY

A Covered Person may be insured only once under this Policy even though he or she may be eligible under more than one class of insureds.

ELIGIBLE EMPLOYEE INSURED AS SPOUSE - LOSS OF ELIGIBILITY AS A SPOUSE

If an Employee is eligible and has enrolled as the Spouse of another Employee, but ceases to be eligible to maintain the amount of coverage for which he or she has enrolled as a Spouse, that Employee may, within 31 days, enroll for coverage as an Employee, in an amount equal to the lesser of:

1. The amount of the Spouse's coverage terminating; or
2. The maximum amount of Employee coverage of the class for which he or she is eligible.

Evidence of Insurability is not required. If this amount is not equal to an available Benefit Amount, it will be adjusted to the next higher available Benefit Amount.

An Employee shall not also be eligible for an increase in coverage due to a Life Status Change when eligible under this provision. Premium will be based upon the Employee's Age as of the Effective Date of the Employee's coverage under this provision.

ELIGIBLE SPOUSE INSURED AS EMPLOYEE - LOSS OF ELIGIBILITY AS AN EMPLOYEE

If a Spouse is eligible and has enrolled for coverage as an Employee but ceases to be eligible to maintain the amount of coverage for which he or she has enrolled as an Employee, that Spouse may, within 31 days, be enrolled for coverage as a Spouse in an amount equal to the lesser of:

A Dependent Child of two or more Employees may only be insured once under the Policy. If a Dependent Child of two or more Employees who have enrolled Dependent Children incurs a claim, then any payable benefit will be divided equally among the Employees who have insured the Dependent Child unless the Employees otherwise agree.

If an Employee who has elected to insure Dependent Children ceases to do so, then the Employee's Spouse may, within 31 days, elect to insure Dependent Children, provided he or she is insured as an Employee.

However, the Critical Illness Benefits and Optional Benefits will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, a change in class. We will pay benefits only if due proof of the Employee's continuous Disability is received within one year of the date of the loss.

'Disability'/'Disabled' means because of injury or illness the Employee is continuously unable to perform the material duties of his or her Regular Occupation; or is receiving disability benefits under the Employer's plan.

Premiums will be waived from the date We agree in writing to waive premiums for that Employee.

After premiums have been waived for 90 days, they will be waived for future periods of 90 days, if the Employee remains Disabled and submits satisfactory proof that Disability continues. Satisfactory proof must be submitted to Us 3 months before the end of the 90-day period.

Amount of Insurance

If an Employee incurs a covered loss while He is Disabled and coverage is extended under this provision, We will pay Benefits equal to the amount in effect on the date the Employee became Disabled. However, the Critical Illness Benefits and Optional Benefits will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, or a change in class. We will pay benefits only if due proof of the Employee's continuous Disability is received within one year of the date of the loss.

Termination of Waiver

"Disability/Disabled" means because of injury or illness an Employee is unable to perform the material duties of His Regular Occupation, or is receiving disability benefits under the Employer's plan, during the initial 90 days of continuous Disability. Thereafter, the Employee must be continuously unable to perform the material duties of any occupation which he or she may reasonably become qualified based on education, training or experience, or is subject to the terms of a Rehabilitation Plan approved by Us.

"Regular Occupation" means the occupation the Employee routinely performs at the time the Disability begins. We will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

No change in this Policy will be valid until approved by one of Our executive officers and endorsed on or attached to this Policy. No agent has authority to change this Policy or to waive any of its provisions.

MISSTATEMENT OF AGE AND TOBACCO

If the Covered Person has misstated His Age or tobacco status, all amounts payable under this Policy will be such as the premium paid would have purchased had such fact been correctly stated.

CERTIFICATES

Where required by law, We will provide a Certificate for delivery by the Policyholder to the Covered Person. Each Certificate will list the benefits, conditions and limits of this Policy. It will state to whom benefits will be paid.

30 DAY RIGHT TO EXAMINE CERTIFICATE

If a Covered Person does not like the Certificate for any reason, it may be returned to Us within 30 days after receipt. We will return any premium that has been paid and the Certificate will be void as if it had never been issued.

MULTIPLE CERTIFICATES

The Covered Person may have in force only one Certificate at a time under this Policy. If at any time the Covered Person has been issued more than one Certificate, then only the Certificate insuring the Covered Person as an Employee shall be in effect. We will refund premiums paid for the others for any period of time that more than one Certificate was issued.

A Covered Person is not eligible for coverage under more than one Certificate providing similar benefits for Critical Illness coverage under group policies issued by Us. If premium is being paid for more than one such Certificate as an Employee or a Dependent, then coverage will be in effect under the Certificate with the earliest effective date and premiums paid for Certificates which are not in effect will be refunded.

ASSIGNMENT

We will be bound by an assignment of a Covered Person's coverage under this Policy only when the original assignment or a certified copy of the assignment, signed by the Covered Person and any irrevocable beneficiary, is filed with Us. INCONTESTABILITY

This Policy or Participation Under This Policy

In the absence of fraud, all statements made by the Policyholder to obtain this Policy or to participate under this Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, or to deny the validity of this Policy or of participation under this Policy unless a copy of the written instrument containing the statement is, or has been, furnished to the Policyholder.

After two years from the Policy Effective Date, no such statement will cause this Policy to be contested.

A Covered Person's Insurance

In the absence of fraud, all statements made by a Covered Person are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the written instrument containing the statement has been signed by the Covered Person, and is, or has been, furnished to the claimant.

After two years from the Covered Person's effective date of coverage, or from the effective date of increased benefits, no such statement will cause coverage or the increased benefits to be contested except for fraud or lack of eligibility for coverage.

In the event of death or incapacity, the beneficiary or personal representative shall be given a copy.

POLICY TERMINATION

We may terminate coverage on or after the first anniversary of the Policy Effective Date. We or the Policyholder may terminate coverage on any Premium Due Date. Written or authorized electronic notice by certified mail must be given at least 60 days prior to such Premium Due Date. Failure by the Policyholder to pay premiums when due or within the Grace Period shall be deemed notice to Us to terminate coverage at the end of the Grace Period.

Termination will not affect a claim for a Covered Loss that is the result, directly and independently of all other causes, of a loss that occurs while coverage was in effect. Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid monthly unless otherwise specified in the benefits descriptions and any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us.

We shall pay or deny each Clean Claim as follows: (1) if the claim is filed electronically, within 30 days after the date We receive the claim; or (2) if the claim is filed on paper, within 45 days after the date We receive the claim. Interest accrues beginning: (1) 31 days after the date the electronic claim is filed; or (2) 46 days after the date the paper claim is filed; and stops on the date the claim is paid.

and for which the Covered Person has a reasonable expectation that action will be taken to resolve or reconsider the matter that is the subject of dissatisfaction.

A Covered Person may designate a representative to file a grievance for the Covered Person and to represent the Covered Person in a grievance.

 - a. responding to grievances; and
 - b. providing notice to Covered Persons of the disposition of the grievance, and the right to appeal that accommodate the clinical urgency of the situation.

A grievance shall be resolved as expeditiously as possible, but not more than 20 business days after We receive all information reasonably necessary to complete the review. If We are unable to make a decision regarding the grievance within the 20 day period due to circumstances beyond Our control, We shall:

1. before the 20th business day, notify the Covered Person in writing of the reason for the delay; and
2. issue a written decision regarding the grievance within an additional 10 business days.

4. The department, address, and telephone number through which a Covered Person may contact a qualified representative to obtain more information about the decision or the right to an external grievance review.

EXTERNAL REVIEW OF GRIEVANCES

An external grievance procedure is available for the resolution of external grievances regarding:

1. an adverse determination of appropriateness;
2. an adverse determination of medical necessity;
3. a determination that a proposed service is experimental or investigational; or
4. a denial of coverage based on a waiver described in IC 27-8-5-2.5 or IC 27-8-5-19.2; made by Us or an agent of Ours regarding a service proposed by the treating health care provider.

Our external grievance procedure shall:

1. allow a Covered Person or a Covered Person's representative to file a written request with Us for an external grievance review of Our:
 - a. appeal resolution of a grievance; or
 - b. denial of coverage based on a waiver described in IC 27-8-5-2.5 or IC 27-8-5-19.2; not more than 45 days after the Covered Person is notified of the resolution; and
2. provide for:
 - a. an expedited external grievance review for a grievance related to an illness, a disease, a condition, an injury, or a disability if the time frame for a standard review would seriously jeopardize the Covered Person's life or health, or ability to reach and maintain maximum function; or
 - b. standard external grievance review for a grievance not described in item 2.a. above.

A Covered Person may file not more than one external grievance of Our appeal resolution.

A Covered Person shall not pay any of the costs associated with the services of an independent review organization under this external review procedure. All costs must be paid by Us.

A Covered Person who files an external grievance:

1. shall not be subject to retaliation for exercising the Covered Person's right to an external grievance;
2. shall be permitted to utilize the assistance of other individuals, including health care providers, attorneys, friends, and family members throughout the review process;
3. shall be permitted to submit additional information relating to the proposed service throughout the review process; and
4. shall cooperate with the independent review organization by:
 - a. providing any requested medical information; or
 - b. authorizing the release of necessary medical information.

We shall cooperate with an independent review organization by promptly providing any information requested by the independent review organization.

An independent review organization shall:

1. for an expedited external grievance, within 3 business days after the external grievance is filed; or
 2. for a standard appeal, within 15 business days after the appeal is filed;
- make a determination to uphold or reverse Our appeal resolution of a grievance based on information gathered from the Covered Person or the Covered Person's designee, Us, and the treating health care provider, and any additional information that the independent review organization considers necessary and appropriate.

When making the determination, the independent review organization shall apply:

1. standards of decision making that are based on objective clinical evidence; and
2. the terms of the Covered Person's accident and sickness insurance policy.

In an external grievance, We bear the burden of proving that We properly denied coverage for a condition, complication, service, or treatment because the condition, complication, service, or treatment is directly related to a condition for which coverage has been waived under IC 27-8-5-2.5 or IC 27-8-5-19.2.

The independent review organization shall notify Us and the Covered Person of their determination:

1. for an expedited external grievance, within 24 hours after making the determination; and
2. for a standard external grievance, within 72 hours after making the determination.

Upon the request of a Covered Person who is notified that the independent review organization has made a determination, the independent review organization shall provide to the Covered Person all information reasonably necessary to enable the Covered Person to understand the:

1. effect of the determination on the Covered Person; and
2. manner in which We may be expected to respond to the determination.

A determination made under this external review of grievances procedure is binding on Us.

If, at any time during an external review performed, the Covered Person submits information to Us that is relevant to Our resolution of the Covered Person's appeal of a grievance decision and that was not considered by Us:

1. We may reconsider the resolution; and
2. if We choose to reconsider, the independent review organization shall cease the external review process until the reconsideration is completed.

If We reconsider the resolution of an appeal of a grievance decision due to the submission of new information, We shall reconsider the resolution based on the information, and notify the Covered Person of Our decision:

1. within 72 hours after the information is submitted, for a reconsideration related to an illness, a disease, a condition, an injury, or a disability that would seriously jeopardize the Covered Person's life or health, or ability to reach and maintain maximum function; or
2. within 15 days after the information is submitted, for a reconsideration not described in item 1. above.

If the decision reached is adverse to the Covered Person, the Covered Person may request that the independent review organization resume the external review. If We choose not to reconsider Our resolution of a grievance, We shall forward the submitted information to the independent review organization not more than 2 business days after Our receipt of the information.
