This is a summary of the basic provisions of the Kansas Life and Health Insurance Guaranty Association Act. It is only a summary, and does not provide an in-depth analysis of that act. Nothing in this summary modifies the rights of persons who are protected by the act, or the rights or duties of the association.

The purpose of the Kansas Life and Health Insurance Guaranty Association Act is to protect certain individuals who purchase life insurance, annuities or health insurance in Kansas. The act provides for the establishment of a funding mechanism to pay benefits or provide insurance coverage to individuals when a life or health insurance company is unable to meet its obligations by reason of insolvency or financial impairment.

However, not all individuals with a right to recover under life or health insurance policies are protected by the act. An individual is only provided protection when the individual, regardless of where they reside, except for nonresident certificate holders under group policies or contracts, is the beneficiary, assignee or payee of a covered policy or contract holder, and when:

1. the individual, regardless of where they reside, except for nonresident certificate holders under group policies or contracts, is the beneficiary, assignee or payee of a covered policy or contractholder,
2. the individual policy or contractholder is a resident of the state of Kansas,
3. the individual is not a resident of the state of Kansas, but only with respect to an annuity contract which has been awarded pursuant to a judgment or settlement in a medical malpractice liability action,
4. the individual is not a resident of the State of Kansas, but only under all of the following conditions:
  - a. the impaired or insolvent insurer was a Kansas domestic insurer; and
  - b. the insurer never had a license to do business in the state in which the individual resides; and

- c. the state in which the individual resides has an association similar to this state's; and
- d. the individual is not eligible for coverage by the association of the state in which the individual resides.

Additionally, the association may not provide coverage for the entire amount the individual expects to receive from the policy. The association does not provide coverage for any portion of the policy where the individual has assumed the risk, for any policy of reinsurance, for interest rates that exceed a specified average rates, for employers' plans that are self-funded, for parts of plans that provide dividends or credits in connection with the administration of the policy, for policies sold by companies not authorized to do business in Kansas, for any unallocated annuity contract or for policies or contracts that provide benefits under Medicare Part C or Part D. Also, the association will not provide coverage where any guaranty protection is provided to the individual under the laws of the insolvent or impaired insurer's state of domicile.

The act also limits the amount the association is obligated to pay individuals on various policies to those limits in effect on the date the association became liable for that impaired or insolvent insurer. The association does not pay more than the amount of the contractual obligation of the insurance company. Regardless of the number of policies or contracts the association is not obligated to pay amounts over \$300,000 in life insurance death benefits; \$100,000 in net cash surrender and net cash withdrawal values for life insurance; \$100,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values; \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values, unless the annuity contract is awarded pursuant to a judgment or settlement agreement in a medical malpractice liability action; or more than \$300,000 in the aggregate for the above coverages with respect to any one life.

Except as provided above, Premium Rates will not be changed during the Initial Rate Guarantee Period shown in the **Coverage Features**. Thereafter, except as provided above, we may change Premium Rates upon advance written notice to the Policyholder. The minimum advance notice is shown in the **Coverage Features** as Notice of Rate Change. Any such change in Premium Rates may be made effective on any Premium Due Date, but no such change will be made more than once in any contract year. Contract years are successive 12 month periods computed from the end of the Initial Rate Guarantee Period.

#### D. Payment Of Premiums

All premiums are due on the Premium Due Dates shown in the **Coverage Features**.

Each premium is payable on or before its Premium Due Date directly to us at our home office. The payment of each premium as it becomes due will maintain the Group Policy in force until the next Premium Due Date.

#### E. Grace Period And Termination For Nonpayment

If a premium is not paid on or before its Premium Due Date, it may be paid during the following Grace Period. The length of the Grace Period is shown in the **Coverage Features**. The Group Policy will remain in force during the Grace Period.

If the premium is not paid during the Grace Period, the Group Policy will terminate automatically at the end of the Grace Period.

The Policyholder is liable for premium for insurance under the Group Policy during the Grace Period. We may charge interest at the legal rate for any premium which is not paid during the Grace Period, beginning with the first day after the Grace Period.

#### F. Termination For Other Reasons

The Policyholder may terminate the Group Policy by giving us written notice. The effective date of termination will be the later of:

1. The date stated in the notice; and
2. The date we receive the notice.

We may terminate the Group Policy as follows:

1. On any Premium Due Date if the number of persons insured is less than the Minimum Participation shown in the **Coverage Features**.
2. On any Premium Due Date if we determine that the Policyholder has failed to promptly furnish any necessary information requested by us, or has failed to perform any other obligations relating to the Group Policy.

The minimum advance notice of such termination by us is the same as the Notice of Rate Change stated in the **Coverage Features**.

#### G. Premium Adjustments

Premium adjustments involving a return of unearned premiums to the Policyholder will be limited to the 12 months just before the date we receive a request for premium adjustment.

H. Certificates

We will issue certificates to the Policyholder showing the coverage under the Group Policy. The Policyholder will distribute a certificate to each insured Member. If the terms of the Certificate differ from the Group Policy, the terms stated in the Group Policy will govern.

I. Records And Reports

The Policyholder or Employer will furnish on our forms all information reasonably necessary to administer the Group Policy. We have the right at all reasonable times to inspect the payroll and other records of the Policyholder or Employer which relate to insurance under the Group Policy.

J. Agency And Release

Individuals selected by the Policyholder or by any Employer to secure coverage under the Group Policy or to perform their administrative function under it, represent and act on behalf of the person selecting them, and do not represent or act on behalf of Standard Insurance Company. The Policyholder, Employer and such individuals have no authority to alter, expand or extend our liability or to waive, modify or compromise any defense or right we may have under the Group Policy. The Policyholder and each Employer hereby release, hold harmless and indemnify Standard Insurance Company from any liability arising from or related to any negligence, error, omission, misrepresentation or dishonesty of any of them or their representatives, agents or employees.

K. Notice Of Suit

The Policyholder or Employer shall promptly give us written notice of any lawsuit or other legal proceedings arising under the Group Policy.

L. Entire Contract, Changes

The Group Policy and the application of the Policyholder constitute the entire contract between the parties. A copy of the Policyholder's application is attached to the Group Policy when issued.

The Group Policy may be changed in whole or in part. No change in the Group Policy will be valid unless it is approved in writing by one of our executive officers and given to the Policyholder for attachment to the Group Policy. No agent has authority to change the Group Policy or to waive any of its provisions.

M. Effect On Workers' Compensation, State Disability Insurance

The coverage provided under the Group Policy is not a substitute for coverage under a workers' compensation or state disability income benefit law and does not relieve the Employer of any obligation to provide such coverage.
