# Flexible Spending Plans

## Congratulations!

Your employer has established a “flexible benefits plan” to help you pay for your out-of-pocket health and daycare expenses. One of the most important features of the plan is that the benefits being offered are paid for with a portion of your pay before federal income or social security taxes are withheld. This means that you will pay less tax and have more money to spend and save. However, if you receive a reimbursement for an expense under the plan, you cannot claim a federal income tax credit or deduction on your return.

## Available Benefits:

### Health flexible spending account:

The health flexible spending account (FSA) enables you to pay for expenses allowed under Section 105 and 213(d) of the Internal Revenue Code which are not covered by our insured medical plan.

The most that you can contribute to your Health FSA each plan year is set by the IRS. This amount can be adjusted for increases in cost-of-living in accordance with Code Section 125(i)(2).

### Premium expense plan:

A premium expense portion of the plan allows you to use pre-tax dollars to pay for specific premiums under various insurance programs we offer you.

### Dependent care flexible spending account:

The dependent care flexible spending account (DCFSA) enables you to pay for out-of-pocket, work-related dependent daycare costs. Please see the Summary Plan Description for the definition of an eligible dependent. The law places limits on the amount of money that can be paid to you in a calendar year.

Generally, your reimbursement may not exceed the lesser of: (a) \$5,000 (if you are married filing a joint return or you are head of a household) or \$2,500 (if you are married filing separate returns); (b) your taxable compensation; (c) your spouse's actual or deemed earned income.

Also, in order to have the reimbursements made to you and be excluded from your income, you must provide a statement from the service provider including the name, address and, in most cases, the taxpayer identification number of the service provider as well as the amount of such expense and proof that the expense has been incurred.

## Determining contributions

Before each plan year begins, you will select the benefits you want and how much contributions should go toward each benefit. It is very important that you make these choices carefully based on what you expect to spend on each covered benefit or expense during the plan year.

Generally, you cannot change the elections you have made after the beginning of the plan year. However, there are certain limited situations when you can change your elections if you have a “change in status”. Please refer to your Summary Plan Description for a change in status listing.

## How do I receive reimbursements?

During the course of the plan year, you may submit requests for reimbursement of expenses you have incurred. Expenses are considered "incurred" when the service is performed, not necessarily when it is paid for. You can get submit a claim online at:

**Please note:** Policies other than company sponsored policies (i.e. spouse's or dependents' individual policies) may not be paid through the flexible benefits plan. Furthermore, qualified long-term care insurance plans may not be paid through the flexible benefits plan.

### NBS Benefits Card

Your employer may sponsor the use of the NBS Benefits Card, making access to your flex dollars easier than ever. You may use the card to pay merchants or service providers that accept credit cards such as hospitals and pharmacies, so there is no need to pay cash up front then wait for reimbursement.

Orthodontic expenses that are paid fully up-front at the time of initial service are reimbursable in full after the initial service has been performed and payment has been made. Ongoing orthodontia payments are reimbursable only as they are paid.

### Account Information

Participants may call NBS and talk to a representative during our regular business hours, Monday-Friday, 7 a.m. to 7 p.m. Central Time. Participants can also obtain account information using the Automated Voice Response Unit, 24 hours a day, 7 days a week at (385) 988-6423 or toll free at (800) 274-0503.
