

Dental Benefit Summary

Group Number: 00429114

About Your Benefits:

Good oral hygiene is important, not only for looks, but for general health as well. A routine dental examination can detect symptoms of more than 125 diseases, including heart disease, diabetes, anemia, stomach ulcers, osteoporosis and kidney disease. Regular check ups and cleanings can save you the pain and expense of future problems. Using your dental insurance for regular dental check-ups can improve your health. Your dental insurance can also help save you money if more serious dental treatments are needed.

With your **PPO** plan, you can visit any dentist; but you pay less out-of-pocket when you choose a PPO dentist.

EXCLUSIONS AND LIMITATIONS

- Important Information about Guardian's DentalGuard Indemnity and DentalGuard Preferred PPO plans: This policy provides dental insurance only. Coverage is limited to those charges that are necessary to prevent, diagnose or treat dental disease, defect, or injury. Deductibles apply. The plan does not pay for: oral hygiene services (except as covered under preventive services), orthodontia (unless expressly provided for), cosmetic or experimental treatments (unless they are expressly provided for), any treatments to the extent benefits are payable by any other payor or for which no charge is made, prosthetic devices unless certain conditions are met, and services ancillary to surgical treatment. The plan limits benefits for diagnostic consultations and for preventive, restorative, endodontic, periodontic, and prosthodontic services. The services, exclusions and limitations listed above do not constitute a contract and are a summary only. The Guardian plan documents are the final arbiter of coverage. Contract # GP-1-DG2000 et al.
- **Special Limitation:** Teeth lost or missing before a covered person becomes insured by this plan. A covered person may have one or more congenitally missing teeth or have lost one or more teeth before he became insured by this plan. We won't pay for a prosthetic device which replaces such teeth unless the device also replaces one or more natural teeth lost or extracted after the covered person became insured by this plan. Maximum Rollover[®]

Save Your Dental Annual Maximum Dollars For a Time When You Need Them Most!

With Maximum Rollover, Guardian will roll over a portion of your unused annual maximum into your personal Maximum Rollover Account (MRA). The MRA can be used in further years, if you reach the plan's annual maximum.

To qualify, you must submit a claim for covered services for which a benefit payment is issued, in excess of any deductible or co-pay, and you must not exceed the paid claims threshold during the benefit year.

You and your insured dependents maintain separate MRAs based on your own claim activity. Each MRA may not exceed the MRA limit.

You can view your annual MRA statement detailing your account and those of your dependents on www.GuardianAnytime.com.

PLAN ANNUAL MAXIMUM	THRESHOLD	MAXIMUM ROLLOVER AMOUNT	MAXIMUM ROLLOVER ACCOUNT LIMIT
\$1000	\$500	\$250	\$1000

NOTES:

Cases on either a calendar year or policy year accumulation basis qualify for the Maximum Rollover feature. For calendar year cases with an effective date in October, November or December, the Maximum Rollover feature starts as of the first full benefit year. For example, if a plan starts in November of 2009, the claim activity in 2010 will be used and applied to MRAs for use in 2011.

Under either benefit year set up (calendar year or policy year), Maximum Rollover for new entrants joining with 3 months or less remaining in the benefit year, will not begin until the start of the next full benefit year.

Maximum Rollover is deferred for members who have coverage of Major services deferred. For these members, Maximum Rollover starts when coverage of Major services starts, or the start of the next benefit year if 3 months or less remain until the next benefit year.
