

# MAIL ORDER PRESCRIPTIONS

*The CareATC medications you need  
conveniently delivered to your doorstep.*

**CareATC's Mail Order Prescription Program** provides a convenient way for you to order up to a 90-day supply of “maintenance” or long-term medication for direct delivery to your home **at no cost to you**. Medication is sent in confidential, secure packaging.

*Please refer to your health plan design for mail order on non-CareATC formulary prescriptions.*

**To participate simply ask your CareATC provider for more information.**

- **Prescriptions guaranteed to arrive at your home within 3-5 days.**
- **You can request your refill when you have used 80% of your previous prescription.**
