Re: Taylor ISD – 3337483 2017 Dental Renewal

Dear Sherry:

Cigna is pleased to present you with the 2017/2018 Dental Renewal for Taylor ISD effective September 1, 2017. The DPPO (HIGH & LOW) benefits will remain the same. Our last renewal with this account was December 1, 2015 and at that point we provided the group with a rate guarantee that expires 8/31/17. During that rate guarantee period, Taylor ISD opted to change their anniversary dates from a December 1 effective date to a September 1 date effective 9/1/2016. We will lead with the 2.75% increase effective 9/1/2017. These rates include standard commissions, a 2.33% PPACA load and are guaranteed for the next 24 months. Please deliver this to your client on our behalf.

DPPO - HIGH

Upon acceptance of this renewal, please have your client sign the attached rate confirmation page and faxed back to my attention.

We appreciate your business and look forward to another successful year.

Sincerely,
