About this Benefit

Telehealth provides 24/7/365 access to board-certified doctors via telephone consultations that can diagnose, recommend treatment and prescribe medication. Whether you are at home, traveling or at work, Telehealth makes care more convenient and accessible for non-emergency care when your primary care physician is not available.

75%

of all doctor, urgent care, and ER visits could be handled safely and effectively via telehealth.

Telehealth

When should I use MDLIVE?

- If you're considering the ER or urgent care for a non-emergency medical issue
- Your primary care physician is not available
- At home, traveling, or at work
- 24/7/365, even holidays!

What can be treated?

- Joint Aches and Pain
- Respiratory Infection
- Sinus Problems
- And More!

Pediatric Care related to:

- Cold & Flu
- Constipation
- Ear Infection
- Fever
- Nausea & Vomiting
- Pink Eye
- And More!

Who are our doctors?

MDLIVE has the nation's largest network of telehealth doctors. On average, our doctors have 15 years of experience practicing medicine and are licensed in the state where patients are located. Their specialties include primary care, pediatrics, emergency medicine and family medicine. Our doctors are committed to providing convenient, quality care and are always ready to take your call.

Are children eligible?

Yes. MDLIVE has local pediatricians on-call 24/7/365. Please note, a parent or guardian must be present during any interactions involving minors. We ask parents to establish a child record under their account. Parents must be present on each call for children 18 or younger.

How much does it cost?

\$10 per month; See your pay rate below.

Covers you, your spouse, and children up to age 26, with unlimited phone consultations.

12 Pay Rate: \$10.00

18 Pay Rate: \$6.67

26 Pay Rate: \$4.62
