

Your employees can choose any provider. We offer the following provider options to meet the needs of all of our clients and members:

### Preferred Providers – Best Value and Preventive Care

VSP has 2,465 preferred provider chain locations across the country, with 42,000 total preferred provider access points nationwide. All of our preferred providers are full service providing thorough eye exams and dispensing a wide selection of quality eyewear at every location. And 88% offer the convenience of extended hours – not just evenings and weekends, but early mornings too.

Additionally, our preferred providers include seven of the 2010 Vision Monday Top 50 U.S. Optical Retailers as shown below:

- SVS Vision
- Rosin Optical
- St. Charles Vision
- Clarkson EyeCare
- Eye Care Associates
- Doctor’s Vision Center
- Allegany Optical

### Affiliate Providers – Added Convenience and Retail Locations

We’ve also contracted with Costco Optical and Eye Care Centers of America (ECCA) as affiliate providers. Costco Optical includes about 400 locations across the country, while ECCA has locations in 37 states and DC, including well-known stores such as Visionworks, EyeMasters, Dr. Bizer’s VisionWorld, Eye DRx, and Hour Eyes, to name a few. Whether your employees choose a preferred or affiliate provider, they will receive a covered-in-full benefit experience.

Through secure systems, our providers check member eligibility and bill VSP directly on behalf of your employees. And it’s easy for your employees and their families to find providers near them as both preferred and affiliate providers are included in our provider directories.

### VSP Open Access<sup>SM</sup> – Freedom to Choose Any Provider

Through VSP Open Access<sup>SM</sup> your employees and their families always have the freedom to choose any provider. Our plan includes a generous reimbursement schedule for services obtained from other providers – including any local or national chains. All providers can contact us directly to check eligibility and submit claims to us on behalf of your employees. In fact, we have a national arrangement with Walmart and Sam’s Club that makes it simple for your employees to use their VSP benefits at any Walmart Vision Center and Sam’s Club Optical Center location.
