What is Critical Illness Insurance?

Critical Illness Insurance pays a lump-sum benefit if you are diagnosed after your effective date of coverage with a covered illness or condition listed below. Please review certificates of coverage for any limitations that may apply. Critical Illness Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

Features of Critical Illness Insurance include:

- **Guaranteed Issue:** No medical questions or tests required for coverage.
- **Flexible:** You can use the benefit money for any purpose you like.
- **Payroll deductions:** Premiums are paid through convenient payroll deductions.
- **Portable:** Should you leave your current employer or retire, you can take your coverage with you.

For what critical illnesses and conditions are benefits available?

Critical Illness Insurance provides a benefit for the following illnesses and conditions. Covered illnesses/conditions are broken out into groups called “modules”. Benefits are paid at 100% of the Maximum Critical Illness Benefit amount unless otherwise stated. For a complete description of your benefits, along with applicable provisions, conditions on benefit determination, exclusions and limitations, see your certificate of insurance and any riders.

Base Module

- Heart attack
- Stroke
- Coronary artery bypass (25%)
- Coma
- Major organ failure
- Permanent paralysis
- End stage renal (kidney) failure

Module A

- Benign brain tumor
- Deafness
- Occupational HIV
- Blindness

Module B

- Multiple sclerosis
- Amyotrophic lateral sclerosis (ALS)
- Parkinson’s disease
- Alzheimer’s disease
- Infectious disease

Cancer Module

- Cancer
- Skin cancer (10%)
- Carcinoma in situ (25%)

How can Critical Illness Insurance help?

Below are a few examples of how your Critical Illness Insurance benefit could be used (coverage amounts may vary):

- Medical expenses, such as deductibles and copays
- Child care
- Home healthcare costs
- Mortgage payment/rent and home maintenance

ReliaStar Life Insurance Company, a member of the Voya® family of companies.

Who is eligible for Critical Illness Insurance?

- **You**—all active employees working at least 15 hours per week.
- **Your spouse***— coverage is available only if employee coverage is elected.
- **Your child(ren)**— to age 26. Coverage is available only if employee coverage is elected.

*The use of "spouse" in this document means a person insured as a spouse as described in the certificate of insurance or rider. This may include domestic partners or civil union partners as defined by the group policy. Please contact your employer for more information.

What Maximum Critical Illness Benefit am I eligible for?

- For you
 - You have the opportunity to purchase a Maximum Critical Illness Benefit of \$5,000-\$30,000 in \$5,000 increments.
- For your spouse
 - You have the opportunity to purchase a Maximum Critical Illness Benefit of \$5,000-\$30,000 in \$5,000 increments.
- For your children
 - You have the opportunity to purchase a Maximum Critical Illness Benefit of \$1,000, \$2,500, \$5,000, \$10,000 or \$20,000 for each covered child.

How many times can I receive the Maximum Critical Illness Benefit?

Usually you are only able to receive the Maximum Critical Illness Benefit for one covered illness or disease within each module. Your plan includes the Restoration Benefit, which provides a one-time restoration of 100% of the maximum benefit amount in order to pay an additional benefit if you experience a second covered illness for a different condition. Your plan also includes the Recurrence Benefit, which allows you to receive a benefit for the same condition a second time. It's important to note that in order for the second covered illness or the second occurrence of the illness to be covered, it must occur after 12 consecutive months without the occurrence of any covered critical illness named in your certificate, including the illness from the first benefit payment.

If a partial benefit is paid out, it will not reduce the available maximum benefit amount for the illnesses or diseases in that same module. If you have reached the benefit limit by receiving the maximum benefit in each module, you may choose to end your coverage; however, if you have coverage for your spouse and/or child(ren), you must continue your coverage in order to keep their coverage active. Please see the certificate of coverage for details.

What optional benefits are available?

You may choose to include the optional benefits below with your critical illness coverage. For a list of standard exclusions and limitations, please refer to the end of this document. For a complete description of your available benefits, along with applicable provisions, exclusions and limitations, see your certificate of insurance and any riders.

 - Your children are covered for the same covered conditions as you are with the exception of carcinoma in situ and coronary artery bypass; however, actual benefit amounts may vary.

- If both you and your spouse are covered under the policy as an employee, then only one, but not both, may cover the same child(ren) under this benefit. If the parent who is covering the child(ren) stops being insured as an employee then the other parent may apply for children's coverage.
- **Wellness Benefit:** This provides an annual benefit payment if you complete a health screening test. You may only receive a benefit once per year, even if you complete multiple health screening tests.
 - Examples of health screening tests include but are not limited to: Pap test, serum cholesterol test for HDL and LDL levels, mammography, colonoscopy, and stress test on bicycle or treadmill.
 - The annual benefit is \$75 for completing a health screening test.
