EFFECTIVE DATE: The Insured must use forms provided by us when applying for insurance. If our underwriting rules are met and the premium has been paid, the insurance will take effect on the later of the following dates:

1. the requested Certificate Effective Date; or
2. the Certificate Effective Date assigned by us upon approval of the person's application.

If the Insured is not Actively At Work on the Certificate Effective Date due to Disability, injury, sickness, temporary layoff, leave of absence or Family and Medical Leave of Absence, coverage begins on the date the Insured returns to Actively At Work. Coverage for the adopted child will not continue past 31 days after the date of Placement For Adoption unless: we are notified by the end of the 31-day period of the addition of such adopted child and any applicable additional premium is paid.

If the plan is a Single Parent Family Plan or Two Parent Family Plan, all newborn children are covered from the moment of birth and all adopted children are covered from the moment of Placement For Adoption. No notification is necessary and no additional premium is due.

SECTION 5 - BENEFITS

This section explains benefits we provide for a loss incurred while covered under the Certificate, following a diagnosis of Cancer. These benefits do not include benefits for Skin Cancer. When coverage terminates, our obligation to pay benefits also terminates for loss incurred after coverage termination for a Specified Disease that

manifested itself while the person was covered under the Certificate. A charge must be incurred for benefits to be payable.

RADIATION THERAPY, CHEMOTHERAPY, or IMMUNOTHERAPY: We will pay the Actual Charges up to the amount shown on the Schedule of Benefits per 12-month period when the Covered Person receives Radiation, Chemotherapy, or Immunotherapy. The 12-month period begins on the first day the Covered Person receives covered Radiation Therapy, Chemotherapy, or Immunotherapy.

This benefit is payable only when the Insured has incurred a charge for covered therapy or covered drugs as shown on the definition of Radiation, Chemotherapy, or Immunotherapy in the Certificate. For Chemotherapy and Immunotherapy, coverage will be limited to the drugs only.

This benefit does not cover other procedures related to Radiation, Chemotherapy, or Immunotherapy treatment such as treatment planning, treatment management or consultation. Design and construction of treatment devices, radiation dosimetry calculation, lab tests, x-rays, scans, medical supplies and equipment used in administration (IV solutions, needles, dressings, pumps, catheters, etc.) are not covered under this benefit. Anti-nausea drugs are not covered under this benefit. This benefit does not include any drugs or medicines covered under the Drugs and Medicine benefit or the Hormone Therapy benefit.

HORMONE THERAPY: We will pay the indemnity amount shown on the Schedule of Benefits per Calendar Year when the Covered Person receives Hormone Therapy treatment prescribed by a Physician. This benefit is payable per treatment subject to the maximum number of treatments shown on the Schedule of Benefits. This benefit covers the drugs and medicines only. It does not include associated administrative processes. This benefit does not include any drugs or medicines covered under the Drugs and Medicine benefit or the Radiation Therapy, Chemotherapy, or Immunotherapy benefit.

EXPERIMENTAL TREATMENT: We will provide coverage for Experimental Treatment prescribed by a Physician for the treatment of Cancer the same as we provide coverage for any non-experimental treatment covered under the Policy and any attached riders. This benefit is payable for treatments received in or out of the Hospital. This benefit does not provide coverage for treatments received outside of the United States or its Territories.

WAIVER OF PREMIUM: If, while the Certificate is in force, the Insured becomes Disabled, we will waive all premiums due including premium for any riders attached to the Certificate. Disability must be due to Cancer and occur while receiving treatment for such Cancer. The Insured must remain Disabled for 60 continuous days before this benefit will begin. The Waiver of Premium will begin on the next premium due date following the 60 consecutive days of Disability. This benefit will continue for as long as the Insured remains disabled until the earliest of:

1. the date the Insured is no longer Disabled; or
2. the date coverage ends according to the Termination provisions in the Certificate.

Proof of Disability: The Insured must provide us with proof of Disability. This proof includes, but is not limited to, the following documentation:

1. a Physician's statement containing the following:
    a. the date Cancer was diagnosed;
    b. the date Disability, due to Cancer, began;
    c. the expected date, if any, such disability will end; and
2. the employer's statement with the last date of work and expected date of return, if known.

Proof of Disability must be provided for each new period of Disability before a new Waiver of Premium benefit is payable.

Proof of Continuance of Disability: The Insured must provide us with proof of continued Disability at least once every three months. From time to time, we may require proof that the Insured continue to be Disabled, but such proof will not be required more often than once a month. We may also require that the Insured be examined at reasonable intervals by one or more Physicians named by us at our expense. If proof is not furnished on request or if the Insured fails to submit to examination, no further premiums will be waived.

Notice of Recovery: The Insured must notify us in writing as soon as Disability due to Cancer ends. We will assume Disability no longer exists if:

1. the Insured does not send us proof of continued Disability at least once every three months;
2. the Insured does not agree to have a physical examination performed; or
3. the Insured notifies us the Disability has ended.

Recurrence Of Prior Disability: If, after recovery from a Disability which has lasted for at least 60 consecutive days, the Insured suffers another Disability that:

1. starts within 30 days of recovery; and
2. is due to the same or related causes as the prior Disability;

then, such Disability will be deemed to have continued during the period between recovery and recurrence.

End of Disability: If the Insured is no longer Disabled, the Insured's coverage will continue until the next premium due date. If the Insured still qualifies as an Insured under the Policy/Certificate, premium must be paid in order for the Insured's coverage under the Certificate to remain in force. If the Insured no longer qualifies as an Insured, the Insured's coverage will terminate as described in the Termination provisions in the Certificate.

This benefit does not apply if the Insured's spouse or an Eligible Child becomes Disabled.

SECTION 6 - LIMITATIONS AND EXCLUSIONS

No benefits will be paid for:

1. care or treatment received outside the territorial limits of the United States; or
2. treatment by any program engaged in research that does not meet the definition of Experimental Treatment (see Section 3); or
3. losses or medical expenses incurred prior to the Covered Person's Effective Date regardless of when Cancer was diagnosed.

ONLY LOSS FOR CANCER: This Policy pays only for loss resulting from definitive Cancer treatment including direct extension, metastatic spread, or recurrence. Proof must be submitted to support each claim. This Policy also covers other conditions or diseases directly caused by Cancer or the treatment of Cancer. This Policy does not cover any other disease, sickness or incapacity, which existed prior to the diagnosis of Cancer, even though after contracting Cancer it may have been complicated, aggravated or affected by Cancer or the treatment of Cancer.

PRE-EXISTING CONDITION EXCLUSION: No benefits are payable for any loss incurred during the Pre-Existing Condition Exclusion Period following the Covered Person's Effective Date as the result of a Pre-Existing Condition. The Pre-Existing Condition Exclusion Period is shown on the Certificate Schedule. Pre-Existing Conditions specifically named or described as excluded in any part of this contract are never covered. If any change to coverage after the Certificate Effective Date results in an increase or addition to coverage, the Time Limit on Certain Defenses and Pre-Existing Condition Limitation for such increase will be based on the effective date of such increase (see Changes to Coverage in Section 10).

WAITING PERIOD: This Policy contains a Waiting Period during which no benefits will be paid. If any Covered Person has a Specified Disease diagnosed before the end of the Waiting Period immediately following the Covered Person's Effective Date, coverage for that person will apply only to loss that is incurred after one year from the Covered Person's Effective Date. The Waiting Period is shown on the Certificate Schedule. If any Covered Person is diagnosed as having a Specified Disease during the Waiting Period immediately following the Covered Person's Effective Date, the Insured may elect to void the Certificate from the beginning and receive a full refund of premium.

If this Policy replaced Specified Disease Cancer coverage from another company that terminated within 30 days of the Certificate Effective Date, the Waiting Period will be waived for those Covered Persons that were covered under the prior coverage. However, the Pre-Existing Condition Limitation provision will still apply.

SECTION 7 - PREMIUMS

PREMIUM PAYMENT: The monthly premium and the Certificate Effective Date are shown on the Certificate Schedule. If the premium is not paid when due or within the grace period, the Certificate will terminate at the end of the period for which premium is due (see Grace Period in Section 10).

PREMIUM CHANGES: The premium rates may be changed by us at the first anniversary date of the Policy or any premium due date thereafter. No such increase in rates will be made unless 60 days prior notice is given to the Policyholder. If a change in benefits increases our liability, premium rates may be changed on the date the liability is increased.

REFUND OF UNEARNED PREMIUM: Upon the death of a Covered Person, any premium paid for such person for any period beyond the end of the Certificate Month in which the death occurred will be refunded.

SECTION 8 - TERMINATION OF COVERAGE

TERMINATION OF POLICY: We or the Policyholder may terminate the Policy on any premium due date after the first Policy anniversary date.

Insurance coverage under this Policy will end on the earliest of these dates:
1. the end of the grace period if the premium for all Certificates in force remains unpaid;
2. the date all Certificates under this Policy terminate;
3. the end of the Policy Month in which we receive a request from the Policyholder to terminate this Policy; or
4. the end of the Policy Month in which we have terminated this Policy, subject to a 60-day written notice.

In addition, we may end the coverage of a Policyholder if:
1. fewer persons are insured than the Policyholder's application requires;
2. the Policyholder does not promptly provide us with information that is reasonably required; or
3. the Policyholder fails to perform any of its obligations that relate to this Policy.

TERMINATION OF CERTIFICATE: Insurance coverage under the Certificate and any attached riders will end on the earliest of these dates:
1. the date the Policy terminates;
2. the end of the grace period if the premium remains unpaid;
3. the date insurance has ceased on all persons covered under the Certificate;
4. the end of the Certificate Month in which the Policyholder requests to terminate this coverage;
5. the date the Insured no longer qualifies as an Insured;
6. the date of the Insured's death.

TERMINATION OF COVERAGE: Insurance coverage for a Covered Person under the Certificate and any attached riders for a Covered Person will end as follows:
1. the date the Policy terminates;
2. the date the Certificate terminates;
3. the end of the grace period if the premium remains unpaid;
4. the end of the Certificate Month in which the Policyholder requests to terminate the coverage for an Eligible Dependent;
5. the date a Covered Person no longer qualifies as an Insured or Eligible Dependent;
6. the date of the Covered Person's death.

We may end the coverage of any Covered Person who submits a fraudulent claim.

TERMINATION WITHOUT PREJUDICE: If termination of coverage occurs because of termination of the Insured's employment, contract, or membership with the Policyholder, such termination shall be without prejudice to any loss which commenced while the Certificate was in force.

CANCELLATION BY THE INSURED: The Insured may cancel the Certificate at any time by notifying the Policyholder. Notice must then be communicated to us by the Policyholder (see Termination of Certificate above, bullet 4). Cancellation will take effect pursuant to Termination of Certificate, bullet 4, or on such later date as may be specified in such notice. In the event of such Cancellation, we will promptly return the pro rata portion of any

unearned premium paid to the premium payor. This will not prejudice any claim that originated prior to the date Cancellation took effect.

SECTION 9 - CLAIMS

NOTICE OF CLAIM: Notice of claim must be given to us within twenty (20) days after the loss occurs or begins when there is a claim for covered charges, or as soon as reasonably possible. We must receive notice at our home office at 2305 Lakeland Drive, Flowood, Mississippi 39232 or to any authorized insurance producer. Information sufficient to identify the Covered Person shall be deemed notice to us.

CLAIM FORMS: When we receive notice of claim, we will send the claim forms. If these forms are not sent within 15 days, proof of loss may be submitted by giving us a written statement of the nature and extent of the loss within the time limit for filing written proof of loss (see Proof of Loss provision).

PROOF OF LOSS: Written proof of loss must be given to us within 90 days after the date of such loss. However, the claim will not be reduced or denied if it was not reasonably possible to give proof in that time; and the proof is filed as soon as reasonably possible. In no event, except the absence of legal capacity, may proof be given later than one year after the loss.

TIME OF PAYMENT OF CLAIMS: All benefits will be paid immediately, once we receive due written proof of loss. For continuing losses, we will pay the benefits due monthly on receipt of due proofs of loss. All benefits will be paid directly to the Insured.

Subject to our benefit maximums, we will pay the Texas Department of Human Resources for the actual cost of medical expenses the Department pays through medical assistance for a Covered Person if the Insured is entitled to payment for medical expenses under this policy.

All benefits payable under this policy for an Eligible Child for whom benefits for financial and medical assistance are being provided by the Texas Department of Human Services will be paid to such Department if:

1. the Department is paying benefits for financial and medical assistance service programs under Chapter 31 or Chapter 32 of the Human Resources Code; and
2. the Insured has possession or access to the child pursuant to a court order or are required by the court to pay child support.

We must receive written notice at our home office. Such notice must be attached to the insurance claim when first submitted, and state that all benefits must be paid directly to the Texas Department of Human Services.

PAYMENT OF CLAIMS: We will pay all benefits to the Insured. Should we fail to pay the benefits payable upon receipt of due written proof of loss, we shall have fifteen (15) working days thereafter within which to mail the Insured a letter or notice which states the reasons we have for not paying the claim, either in whole or in part, and which also gives the Insured a written itemization of any documents or other information needed to process the claim or any portions thereof which are not being paid. When all listed documents or other information needed to process the claim have been received, we shall then have fifteen (15) working days within which to process and either pay the claim or deny it, in whole or in part, giving the Insured the reasons we may have for denying such claim or any portion thereof.

Any benefits that have not been paid at the time of the Insured's death will be paid to the beneficiary, if living, or to the Insured's estate. If benefits are payable to the Insured's estate or to any person who is not competent to give us a valid release, we have the right to pay up to $1,000 of those benefits to any person related to the Insured by blood or marriage who we believe is justly entitled to such payment. If we make a payment under this provision in good faith, we will be released from liability to the extent of the payment.

PHYSICAL EXAMINATION: If the Covered Person makes a claim, the Covered Person must submit to a physical examination as often as we may reasonably request. We will pay for these examinations.

LEGAL ACTION: No legal action can be taken to receive benefits under the Certificate less than 60 days after written proof of loss has been furnished as required; or more than three years after written proof of loss is required to be furnished.

SECTION 10 - GENERAL PROVISIONS

ENTIRE CONTRACT: The contract is made up of this Policy, the Master Application of the Policyholder, the Insured's application attached to the Certificate, if any, the Schedule of Benefits and any attached riders or endorsements.

Statements made by the Policyholder or the Insured, in the absence of fraud, are representations and not warranties. No such statements will be used to void the insurance, reduce benefits or defend a claim under the Certificate unless the statement is in writing; and a copy of that statement is given to the Insured, his or her beneficiary, or his or her personal representative.

CHANGES TO THE ENTIRE CONTRACT: No changes to this Policy, the Certificate, or any attached riders or endorsements, will be valid unless approved by one of our executive officers. The change must be signed by the officer and attached to the Certificate. No insurance producer may change the Certificate or waive any of its provisions.

TIME LIMIT ON CERTAIN DEFENSES: After two years from the Covered Person's Effective Date, no misstatement made in the application, except fraudulent misstatements, will be used to void the Certificate or deny a claim for any loss incurred commencing after the end of the two year period.

No claim for any loss incurred during the Pre-Existing Condition Exclusion Period following the Covered Person's Effective Date will be reduced or denied on the ground that a Sickness or physical condition, not excluded from coverage by name or specific description on the date of loss, had existed prior to the Covered Person's Effective Date.

CHANGES TO COVERAGE: The Insured may have the right to change the plan or amount of insurance, or both, after the Certificate Effective Date if the Policyholder and we agree. A new application and Evidence of Insurability may be required. Any change in coverage will only apply to a Cancer that occurs after the effective date of such change in coverage. No changes to coverage will be allowed during the first 12 months except for a qualifying event including, but not limited to, a birth, death, divorce, adoption or marriage. No increases to coverage will be allowed if a diagnosis of Cancer has occurred prior to the request for change.

If any change to coverage after the Certificate Effective Date results in an increase in or addition to coverage, the premiums will be based on his or her attained age on the effective date of the increase or addition, and the Time Limit on Certain Defenses and Pre-Existing Condition Limitation for such increase will be based on the effective date of such increase or addition. Such changes include, but are not limited to, the following:

1. an increase in the benefit amounts;
2. adding a Covered Person; or
3. adding a rider.

If any change to coverage after the Certificate Effective Date results in a decrease in or deletion to coverage, the premiums will be based on his or her original age on the effective date of the decrease or deletion, and the Time Limit on Certain Defenses and Pre-Existing Condition Limitation will not be affected. Such changes include, but are not limited to, the following:

1. a decrease in the benefit amounts;
2. deleting a Covered Person; or
3. deleting a rider.

GRACE PERIOD: The Certificate has a 31-day grace period for paying premium. This means that if a renewal premium is not paid by the date due, it may be paid during the following 31 days. During the grace period, the Certificate will stay in force. If the premium is not paid by the end of the 31-day grace period, the Insured's Certificate will terminate as of the date the renewal premium became due.

UNPAID PREMIUM: Upon determining the Insured's continued eligibility, any premium due and unpaid may be deducted from the claim payment when a claim is paid.

MISSTATEMENT OF AGE: If the Insured misstated the age of any Covered Person on the Insured's application, the benefits will be based on such Covered Person's correct age. Any difference in premium will be deducted from claims paid and future premiums will be adjusted accordingly. If we have accepted a premium on behalf of

the person for a period after the date when coverage should have ended, we will refund any such premium, but we will not pay any claims for services the person received after coverage should have ended.

CONFORMITY WITH STATE STATUTES: On the Certificate Effective Date, any provision of the Certificate that is in conflict with the laws of the state of issue is amended to meet the minimum requirements of those laws.

Internal Cancer First Occurrence Benefit Rider

OPTIONALLY RENEWABLE – BENEFITS DECREASE BY 50% AT AGE 70
SUBJECT TO THE COMPANY'S RIGHT TO CHANGE PREMIUM RATES

Effective Date: 09-01-2014

This rider is issued in return for the application and receipt of the first premium for this rider. This rider is part of the Policy/Certificate to which it is attached. It is subject to all the provisions of the Policy/Certificate that are not in conflict with the provisions of this rider. This rider will terminate on the same date as the Policy/Certificate to which it is attached.

DEFINITIONS

CARCINOMA IN SITU, for the purpose of benefits under this rider, means an early stage of Internal Cancer in which the tumor, or tumor cells, are confined to the organ or tissue where it first developed. The disease has not invaded other parts of the organ, tissue, or spread to distant parts of the body. For all cancers, the staging, as supported by medical documents including pathology, surgical and clinical information, will be used to determine if the cancer in question meets the definition of Carcinoma In Situ.
Examples of Carcinoma In Situ include, but are not limited to:

1. for prostate cancer: a diagnosis of Stage A1 or A2, using the Jewett-Whitmore system, or a diagnosis of T1a or T1b using the Tumors, Nodes, Metastases (TNM) system, or equivalent staging; or
2. for breast cancer: a diagnosis of "in situ," or Tis, using the TNM system, or equivalent staging; or
3. for colon cancer: a diagnosis of Stage 0, using the American Joint Cancer Committee (AJCC) staging, or Tis, using the TNM system, or equivalent staging; or
4. for melanoma: a diagnosis of Stage 0, using the AJCC staging, or Tis, using the TNM system, or Level I, using the Clark Level staging, or equivalent staging; or
5. any other cancer which meets the definition of Carcinoma In Situ.

Carcinoma In Situ does not include Internal Cancer, Skin Cancer, or conditions that may be considered pre-cancerous or having malignant potential such as:

1. Actinic keratosis; or
2. Myelodysplastic and non-malignant myeloproliferative disorders; or
3. Aplastic anemia; or
4. Atypia; or
5. Non-malignant monoclonal gamopathy; or
6. Pre-malignant lesions, benign tumors or polyps; or
7. Leukoplakia; or
8. Hyperplasia; or
9. Carcinoid; or
10. Polycythemia.

DATE OF DIAGNOSIS means the date shown on the pathological report submitted; or, the date a Physician establishes the Internal Cancer diagnosis through the use of clinical evidence submitted or laboratory findings.

INTERNAL CANCER means a disease that is manifested by autonomous growth (malignancy) in which there is uncontrolled growth, function, or spread (local or distant) of cells in any part of the body. For the purposes of this

definition, it does not include other conditions that may be considered pre-cancerous or having malignant potential such as:

1. Actinic keratosis;
2. Myelodysplastic and non-malignant myeloproliferative disorders;
3. Aplastic anemia;
4. Atypia;
5. Non-malignant monoclonal gamopathy;
6. Leukoplakia;
7. Hyperplasia;
8. Carcinoid;
9. Polycythemia; or
10. Carcinoma in Situ or any Skin Cancer other than invasive malignant melanoma into the dermis or deeper.

A legally licensed doctor of medicine certified by the American Board of Pathology or American Board of Osteopathic Pathology must positively diagnose the Cancer. Diagnosis must be made based on microscopic examination of fixed tissue, or preparations from the hemic system (either during life or post mortem). The pathologist establishing the diagnosis shall base his or her judgment solely on the criteria of malignancy as accepted by the American Board of Pathology or the Osteopathic Board of Pathology after a study of the histocytologic architecture of pattern of the suspect tumor, tissue and/or specimen.

Clinical diagnosis of Cancer will be accepted as evidence that Cancer exists when a pathological diagnosis is medically inadvisable if: such medical evidence substantially documents the diagnosis of Cancer; and the Covered Person receives treatment for Cancer by a Physician legally licensed for the practice of medicine.

PRE-EXISTING CONDITION, for the purpose of benefits under this rider, means an Internal Cancer for which medical advice or treatment was recommended by or received from a member of the medical profession within the Pre-Existing Condition Period immediately preceding the Covered Person's Effective Date of this rider. The Pre-Existing Condition Period is shown on the Certificate Schedule.

WAITING PERIOD means the number of days shown in the Certificate Schedule following the Effective Date of this rider. No benefits will be paid for an Internal Cancer when the Date of Diagnosis occurs during the Waiting Period.

BENEFITS

If, while this rider is in force and subject to the Exclusions and Limitations, a Covered Person receives a first diagnosis of Internal Cancer, we will pay the lump sum benefit. This benefit amount is shown on the Schedule of Benefits. The Date of Diagnosis of Internal Cancer must occur after the Waiting Period. Only one benefit amount per Covered Person per lifetime is payable under this rider.

The Internal Cancer lump sum benefit amount will reduce by 50% at age 70.

PREMIUM

The premium shown in the Policy/Certificate Schedule is payable under the same conditions as the premium for the Policy/Certificate.

TIME LIMIT ON CERTAIN DEFENSES

After two years from the Effective Date of this rider, no misstatements (except fraudulent misstatements) made by you in the application for this rider will be used to void the rider or to deny a claim for loss that begins after the end of such two year period.

EXCLUSIONS AND LIMITATIONS

No benefits will be paid for:

1. a diagnosis of Internal Cancer received outside the territorial limits of the United States; or
2. a metastasis to a new site of any Cancer diagnosed prior to the Covered Person's Effective Date, as this is not considered a first diagnosis of an Internal Cancer.

PRE-EXISTING CONDITION EXCLUSION: No benefits are payable for any loss incurred during the Pre-Existing Condition Exclusion Period following the Covered Person's Effective Date of this rider as the result of a Pre-Existing Condition, as defined in this rider. The Pre-Existing Condition Exclusion Period is shown on the Certificate Schedule.

WAITING PERIOD: This rider contains a Waiting Period during which no benefits will be paid. If any Covered Person has an Internal Cancer diagnosed before the end of the Waiting Period immediately following the Covered Person's Effective Date of this rider, coverage for that person will apply only to loss that is incurred after one year from the Covered Person's Effective Date of this rider. The Waiting Period is shown on the Certificate Schedule.

TERMINATION OF RIDER COVERAGE

This rider will terminate and coverage will end for all Covered Persons on the earliest of:

1. the end of the grace period if the premium for this rider remains unpaid;
2. the date the Policy or Certificate to which this rider is attached terminates;

4. the date of your death;
5. the date the lump sum benefit amount for Internal Cancer has been paid for all Covered Persons under this rider.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan, You are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

(a) examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all Plan documents, including insurance contracts and copies of all documents filed by the Plan with the U.S. Department of Labor, such as detailed annual reports and Plan descriptions.
(b) obtain copies of all Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
(c) receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Employee Benefit Plan. The people who operate Your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of You and other Plan participants and beneficiaries. No one, including Your employer, or any other person, may discharge You or otherwise discriminate against You in any way to prevent You from obtaining a welfare benefit or exercising Your rights under ERISA. If Your claim for a welfare benefit is denied in whole or in part, You must receive a written explanation of the reason for the denial. You have the right to have the Plan review and reconsider Your claim.

Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request materials from the Plan and do not receive them within 30 days, You may file suit in a federal court. In such case, the court may require the Plan Administrator to provide the materials and pay You up to $110 a day until You receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If You have a claim for benefits which is denied or ignored, in whole or in part, You may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if You are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a federal court. The court will decide who should pay court costs and legal fees. If You are successful, the court may order the person You have sued to pay these court costs and fees. If You lose, the court may order You to pay these costs and fees, for example, if it finds Your claim frivolous.

If You have any questions about the Plan, You should contact the Plan Administrator. If You have any questions about this statement, Your rights under ERISA, health care coverage portability, or continuation of health care coverage under COBRA, You may also contact:

U.S. Department of Labor
Employee Benefits Security Administration
200 Constitution Avenue, N W
Room N5625
Washington, D.C. 20210

NOTICE OF THE RIGHT TO APPEAL

Any adverse benefit determination will be explained in writing and the explanation will include:

(a) the specific reason for the adverse benefit determination;
(b) reference to the Plan provision upon which the adverse benefit determination was based;
(c) a description of any additional information You might be required to provide and an explanation of why it is needed; and
(d) an explanation of the Plan's claim review procedure.

You, Your beneficiary, or a duly authorized representative may appeal any adverse benefit determination by filing a request for review to the Plan Administrator. In connection with such a request, documents pertinent to the administration of the Plan may be reviewed, and issues outlining the basis of the appeal may be submitted. You may have representation throughout this review procedure.

Your request for review must be filed within 180 days after receipt of the written notice of adverse benefit determination. Non-urgent benefit determinations on appeal shall be rendered by the Plan Administrator within 15 days of receipt of Your request for review for Pre-Service Claims, and within 30 days of receipt of Your request for review for Post-Service Claims. Urgent Care benefit determinations on appeal shall be rendered within 72 hours of receipt of Your request for review. The decision, after the review, shall be in writing and shall include specific references to the pertinent plan provisions on which the decision was based.

Copies of the Plan's Claims Procedures are obtainable, without charge, upon written request to the Plan Administrator.
