

If you were hospitalized today, how much do you think your out-of-pocket expenses would be?

Your total expense, including deductible & coinsurance, could be higher than you can afford!

SISLINK® is a low-cost program designed to help you pay for covered out-of-pocket expenses you may incur while you are either confined in a hospital or being treated as an out-patient for an injury or an illness.

Tulsa FOP 93 Health & Welfare Trust has chosen a plan design that offers you an optimal offset of expenses due to high deductibles and high out-of-pocket maximums.

Basic Plan Benefits offered to employees of Tulsa FOP 93 Health & Welfare Trust

- ❖ **Hospital Confinement Benefit*** - This benefit is designed to offset the cost you incur as an in-patient in the hospital when your primary comprehensive major medical policy applies such expenses to your deductible or coinsurance maximum, up to the \$1,500 plan year maximum per insured person.
- ❖ **Out-Patient Benefit*** - This benefit offsets the cost you incur for out-patient treatment when your primary comprehensive major medical policy applies such expenses to your deductible or coinsurance maximum, up to the \$750 benefit limit, and up to a maximum of four out-patient occurrences per family per plan year. An “occurrence” is treatment of a *specific injury or illness*. Expenses for the same or related condition will be considered a new “occurrence” if you have been treatment-free for at least 90 consecutive days. Expenses related to physician office visits are not included in this benefit. Covered expenses include:
 - ❖ Surgery in an Out-Patient Facility or a Physician’s Office
 - ❖ Emergency Room visits
 - ❖ Diagnostic testing, Lab & X-ray at a diagnostic or hospital out-patient facility or at a Physician’s office if the cost is not included in the global office visit fee and is not part of wellness/preventive care
- ❖ **Physician Office Benefit*** - This benefit offsets the cost you incur for treatment you receive in a Physician’s office when your primary comprehensive major medical policy applies such expenses to your deductible/co-pay or coinsurance maximum, up to the \$20 per visit benefit limit, and up to a maximum of 12 visits per family per plan year.

*For expenses to be eligible under this plan they must be medically necessary for the treatment of an injury or illness. Expenses not covered by your group major medical/comprehensive plan are not covered.
