

CHIROPRACTIC AND PHYSICAL THERAPY BENEFIT UPDATE

REMINDER:

For 2019-2020 the Trust is partnering with Dr. Mark Peery at Eastern Oklahoma Wellness Center to provide chiropractic and physical therapy FREE to the member. Members can still see other chiropractic and physical therapy providers in their chosen network but a specialist copay will apply. There is a 60 visit limit on (each) chiropractic and physical therapy services. If you utilize Dr. Peery, the first 30 visits (of each benefit) are FREE, visits 31-60 are subject to a specialist copay (HDHP subject to deductible.) Physical therapy visits will still require a prescription from the referring doctor. Please advise the office staff that you are member of the Tulsa FOP 93 Health & Welfare Trust to obtain this benefit.

This 60-visit limit is a combined limit for ANY chiropractor you see on this plan.

If you have any questions regarding these benefits please contact Rooney Insurance.
