

## Tulsa FOP 93 Health and Welfare Trust

### MEMORANDUM

**Open Enrollment 2019-2020 Plan Year**

**TO: Tulsa FOP 93 Health & Welfare Trust Dental Plan Members**

**RE: Dental Only Enrollment**

---

You are receiving this letter because we show that you are enrolled in dental insurance but not medical insurance with the Trust. If that is incorrect, please contact Rooney Insurance immediately.

**Effective 7/1/2019: If you are enrolled in dental but NOT enrolled in medical with the Trust then you will have an increased payroll deduction cost for your dental insurance. The Trust no longer receives funding from the City for dental premiums; it is included with the medical contribution. Therefore, if a Trust member is not receiving the medical contribution from the City there is no funding to help with the administration of the dental policy. See the rate tables on the back of this page for payroll deduction amounts.**

Thank You.
