

Voya Cares[®]

At Voya Employee Benefits we care about your needs. Creating a plan is a good place to start.

We could all use a bit of help planning for the future — and when your planning includes a loved one with special needs, knowing where to start can be one of the biggest challenges. However, you're not alone. Through Voya Cares, we can help you plan the future you envision by sharing resources that discuss three critical areas:

- Government benefits
- Beneficiary planning
- Employee benefits and how they may impact government benefits

Our informative resources can help you consider the steps you can take today to help protect you and your loved ones tomorrow.
