

# PlanWell

... like having your own financial planner at your fingertips 24/7.

Financial stress can lead to long unproductive days, unfortunate accidents, unnecessary medical bills and more. From top performers to someone just starting work, anyone can face financial stress. AWP understands financial wellness and offers this web-based program to help you, and your household.

**PlanWell includes eCourses, articles, videos, calculators and webcasts made by independent CERTIFIED FINANCIAL PLANNER™ professionals.**

- ✓ Once you've logged into PlanWell, you can begin enrolling in eCourses. An eCourse is a short video combined with a goal.
- ✓ If you complete your goals by a certain time, you're rewarded with points. These points can be redeemed for one-on-one time with an independent financial planner once you've reached at least 50.

In addition to eCourses, you can also use the Resource Center. Enjoy reading articles, watching videos and using calculators on a myriad of financial planning topics that you can share with your family.
