

EMERGENCY TRANSPORTATION COSTS

MASA MTS is here to protect its members and their families from the shortcomings of health insurance coverage by providing them with comprehensive financial protection for lifesaving emergency transportation services, both at home and away from home.

Many American employers and employees believe that their health insurance policies cover most, if not all ambulance expenses. The truth is, they DONOT!

Even after insurance payments for emergency transportation, you could receive a bill up to \$5,000 for ground ambulance and as high as \$70,000 for air ambulance. The financial burdens for medical transportation costs are very real.

HOW MASA IS DIFFERENT

Across the US there are thousands of ground ambulance providers and hundreds of air ambulance carriers. ONLY MASA offers comprehensive coverage since MASA is a PAYER and not a PROVIDER!

ONLY MASA provides over 1.6 million members with coverage for **BOTH ground ambulance and air ambulance transport, REGARDLESS of which provider transports them.**

Members are covered ANYWHERE in all 50 states and Canada!

Additionally, MASA provides a repatriation benefit: if a member is hospitalized more than 100 miles from home, MASA can arrange and pay to have them transported to a hospital closer to their place of residence.

Any Ground. Any Air. Anywhere.™
