Without further action, your iLOCK360 account will be deactivated at the *end of the month* in which you separate employment from your school district.

PLEASE COMPLETE THE **3** SIMPLE STEPS BELOW:

- 1** Please call (512) 600-5205 and request to convert your current payroll-deducted iLOCK360 account to *self-pay*. This will allow you the ability to keep the coverage you already enjoy as well as save you time from having to re-enter any information you may already have monitored by iLOCK360.
- 2** [Login](#) to your iLOCK360 account. Click the **Upgrade Now** button. Select the plan type that you'd like to continue your coverage with. Add your credit card information for monthly payment.

*Please Note: You **MUST** update your payment information to avoid possible deactivation.*
- 3** At this time you will also need to confirm that you have updated your contact information to use your *personal* (non-district) email address (This can be changed under *My Account*).

To continue receiving your iLOCK360 alerts and notifications, you must have a **valid email address** on file.
