Voluntary Short Term Disability Insurance Plan Highlights

Policy Number 419941

Who is eligible?	You are eligible for Short Term Disability coverage if you are an active employee in the United States working a minimum of 30 hours per week.																										
What is my weekly benefit amount?	You can elect to purchase a benefit of 60% of your weekly earnings to a maximum of \$500 per week.																										
How long do I have to wait to receive benefits?	The elimination period is the length of time you must be continuously disabled before you can receive benefits. If your disability is the result of a covered injury or sickness, you could begin receiving benefits after 7 days.																										
When would I be considered disabled?	<p>You are disabled when Unum determines that, due to sickness or injury:</p> <ul style="list-style-type: none"> • You are limited from performing the material and substantial duties of your regular occupation;* and • You have a 20% or more loss in weekly earnings due to the same sickness or injury. <p>You must be under the regular care of a physician in order to be considered disabled.</p> <p>*Unless the policy specifies otherwise, as part of the disability claims evaluation process, Unum will evaluate your occupation based on how it is normally performed in the national economy, not how work is performed for a specific employer, at a specific location, or in a specific region.</p>																										
How long will my benefits last?	As long as you continue to meet the definition of disability, you may receive benefits for 12 weeks.

When is my coverage effective?	Please see your plan administrator for your effective date.
What if I am out of work when the coverage goes into effect?	Insurance will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that coverage would otherwise become effective.
Can my benefit be reduced?	Your disability benefit may be reduced by deductible sources of income and any earnings you have while disabled. Deductible sources of income may include such items as disability income or other amounts you receive or are entitled to receive under: workers' compensation or similar occupational benefit laws; state compulsory benefit laws; automobile liability and no fault insurance; legal judgments and settlements; certain retirement plans; other group or association disability programs or insurance; and amounts you or your family receive or are entitled to receive from Social Security or similar governmental programs.
Do I have to take a health exam to get coverage?	<p>You may receive coverage without answering any medical questions or providing evidence of insurability if you apply for coverage within 31 days after your eligibility date. If you apply more than 31 days after your eligibility date, your coverage will be medically underwritten. You may also have to provide information about routine, planned, unplanned or ongoing medical care or consultation. This review may result in coverage being declined.</p> <p>Please see your plan administrator for your eligibility date.</p>
Can I receive rehabilitation and return-to-work services?	If you are deemed eligible and are participating in the program, Unum will pay an additional benefit of 10% of your gross disability payment, to a maximum of \$250 per week.
Are my benefits taxed?	It depends on how your premium was taxed during the plan year in which you become disabled. If you paid the premium for the plan year with post-tax dollars , your benefits will not be taxed. However, if you paid the premium for the plan year with pre-tax dollars, your benefits will be taxed. If you paid the premium for the plan year with a combination of pre- and post-tax dollars, then a portion of your benefits will be taxed.
