

Employee Benefit Enrollments

THEbenefitsHUB

MGM Benefits Group's online enrollment system, THEbenefitsHUB, is designed to give you ease, accuracy, and flexibility. THEbenefitsHUB eliminates the burden of paper-driven enrollments and also simplifies ongoing employee benefit communication. Employee self-service lowers administrative costs and raises employee satisfaction.

Our advanced, yet simple-to-use, system lifts the burden of paperwork, gives your Human Resource Department push-button tools for online enrollment and benefits management with these key features:

- Paperless core and voluntary benefit enrollments;
- One system to manage all benefit information, including open enrollment, new hires, status changes, terminations and COBRA;
- Allows employers to create standard and customized system generated reports;
- Send data electronically to insurance carriers to improve accuracy;
- System can integrate your employee handbook, employee benefit statements, forms, mailings and newsletters.

This easy-to-use turnkey web-based system can be provided to you by MGM Benefits Group. Give us a call to discuss how we can provide cutting-edge enrollment technology and other value added services to you.
