PLAN HIGHLIGHTS

Login at: my.nbsbenefits.com

Congratulations! Temple Independent School District has established a "Flexible Benefits Plan" to help you pay for your out-of-pocket medical expenses. One of the most important features of the Plan is that the benefits being offered are paid for with a portion of your pay before Federal income or Social Security taxes are withheld. This means that you will pay less tax and have more money to spend and save. However, if you receive a reimbursement for an expense under the Plan, you cannot claim a Federal income tax credit or deduction on your return.

DETERMINING CONTRIBUTIONS

Before each Plan Year begins, you will select the benefits you want and how much of the contributions should go toward each benefit. It is very important that you make these choices carefully based on what you expect to spend on each covered benefit or expense during the Plan Year.

Generally, you cannot change the elections you have made after the beginning of the Plan Year. However, there are certain limited situations when you can change your elections if you have a "change in status". Please refer to your Summary Plan Description for a change in status listing.

Premium Expense Account and Dependent Care Flexible Spending Account:

You will enter the Plan on the day in which you meet the above eligibility requirements.

WHAT TYPE OF BENEFITS ARE AVAILABLE

Under our Plan, you can choose the following benefits. Each benefit allows you to save taxes at the same time because the amount you elect is set aside on a pre-tax basis.

Health Flexible Spending Account:

The Health Flexible Spending Account (FSA) enables you to pay for expenses allowed under Section 105 and 213(d) of the Internal Revenue Code which are not covered by our insured medical plan. The most that you can contribute to your Health FSA each Plan Year is set by the IRS. This amount can be adjusted for increases in cost-of-living in accordance with Code Section 125(i)(2). Please note: If you contribute to this benefit you **cannot** elect a Health Savings Account (HSA) Benefit.

Health Savings Account:

A Health Savings Account allows participants insured by a Qualified High Deductible Insurance Plan to save for deductibles and other expenses not covered under the Plan. If you participate in this benefit you **cannot** participate in the Health Flexible Spending Account benefit.

Employer Contribution:

The Employer shall make available to each Participant who has other medical coverage and who opts out of the Employer's group medical plan an Employer Contribution to be used in the Participant's Health Flexible Spending Account and to be used in the Participant's Dependent Care Flexible Spending Account in an amount to be determined by the Employer prior to the beginning of each Plan Year. The Employer's Contribution shall be made on a pro rata basis for each pay period of the Participant. If a Participant fails to make any election of Benefit Option, there shall be no Employer Contribution (i.e., the Employer Contribution shall not be available in cash). Currently the Employer Contribution is \$500.

Flexible Benefits Plan

Highlights Continued

Dependent Care Flexible Spending Account:

The Dependent Care Flexible Spending Account (DCAP) enables you to pay for out-of-pocket, work-related dependent day-care cost. Please see the Summary Plan Description for the definition of eligible dependent. The law places limits on the amount of money that can be paid to you in a calendar year. Generally, your reimbursement may not exceed the lesser of: (a) \$5,000 (if you are married filing a joint return or you are head of a household) or \$2,500 (if you are married filing separate returns); (b) your taxable compensation; (c) your spouse's actual or deemed earned income. Also, in order to have the reimbursements made to you and be excluded from your income, you must provide a statement from the service provider including the name, address, and in most cases, the taxpayer identification number of the service provider, as well as the amount of such expense and proof that the expense has been incurred.

Premium Expense Plan:

A Premium Expense portion of the Plan allows you to use pre-tax dollars to pay for specific premiums under various insurance programs that we offer you.

Please note: Policies other than company sponsored policies (i.e. spouse's or dependents' individual policies etc.) may not be paid through the Flexible Benefits Plan. Furthermore, qualified long-term care insurance plans may not be paid through the Flexible Benefits Plan.

HOW DO I RECEIVE REIMBURSEMENTS

During the course of the Plan Year, you may submit requests for reimbursement of expenses you have incurred. Expenses are considered "incurred" when the service is performed, not necessarily when it is paid for. You can get a claim form at www.NBSbenefits.com.

Claim forms must be submitted no later than 90 days after the end of the Plan Year for the Health Flexible Spending Account and the Dependent Care Flexible Spending Account. However, if you have unused contributions in your Flexible Spending Accounts from the immediately preceding plan year, and you incur qualified medical care and/or dependent care expenses during the grace period; you may be reimbursed for those expenses as if the expenses had been incurred in the prior plan year. Any monies left from the previous plan year will be forfeited following the grace and run-out period.

NBS Flexcard – FSA Pre-paid MasterCard

Your employer may sponsor the use of the NBS Flexcard, making access to your flex dollars easier than ever. You may use the card to pay merchants or service providers that accept credit cards, so there is no need to pay cash up front then wait for reimbursement.

Terminated Employees have 90 Days after their date of termination to submit receipts for services prior to their termination date.

WHO ARE HIGHLY COMPENSATED & KEY EMPLOYEES

Under the Internal Revenue Code, "highly compensated employees" and "key employees" generally are Participants who are officers, shareholders or highly paid.

If you are within these categories, the amount of contributions and benefits for you may be limited so that the Plan as a whole does not unfairly favor those who are highly paid, their spouses or their dependents. Please refer to your Summary Plan Description for more information. You will be notified of these limitations if you are affected.
