

Mansfield ISD staff clinic

The Mansfield ISD Staff Clinic is a low-cost, convenient health clinic for district employees, spouses and dependents.

About the Clinic

Address: 252 Matlock Rd., Suite #130, Mansfield, TX 76063

Phone: 817-453-8620

Fax: 817-473-7186

The MISD staff clinic, located inside Methodist Family Health Center, is a walk-in clinic meaning employees do not schedule specific appointment times. **In December 2019, the clinic began offering call ahead scheduling with limited space availability.**

Employees and their dependents can try calling ahead for an appointment or visit the clinic. Clinic personnel will inform the patient of a time to be seen by a provider based upon the number of patients being taken that day. Walk-in patients will then have the option to wait at the clinic to be seen by a provider or return to the clinic at the time designated by the clinic personnel. Occasionally, due to medical personnel availability, there will be days in which not all employees desiring to be seen will be able to visit a medical provider that same day.

Hours of Operation

Monday - Friday | Noon - 7:30 p.m.

Offices are closed daily from 3:00 p.m. - 4:00 p.m.

(NOTE: Hours are subject to change with limited notice. It is always a good idea to call ahead before visiting the clinic. The clinic is closed on major holidays.)
