When is my coverage effective?	Please see your plan administrator for your effective date.
Do I have to take a health exam to get coverage?	You may receive coverage without answering any medical questions or providing evidence of insurability if you apply for coverage within 31 days after your eligibility date. If you apply more than 31 days after your eligibility date, your coverage will be subject to a 3/12 pre-existing condition exclusion.  Please see your plan administrator for your eligibility date.
What if I am out of work when the coverage goes into effect?	Insurance will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.
What is my maximum monthly benefit amount?	Your total monthly benefit (including all benefits provided under this plan) will not exceed 100% of your monthly earnings, unless the excess amount is payable as a Cost of Living Adjustment.
What else is included with this policy?	Worldwide emergency travel assistance is included with this long term disability plan. Emergency travel assistance is available to you, your spouse* and your dependent children when you travel to any foreign country, including Canada or Mexico. It is also available anywhere in the United States when you travel just 100 or more miles from home.  * A spouse traveling on business for his or her employer is not covered by the program.
Does this plan include help with work-life balance?	Yes. Our work-life balance employee assistance program (EAP) provides professional advice for a wide range of personal and work-related issues. The service is available to you and your family members 24 hours a day, 365 days a year. It provides resources to help you find solutions to everyday issues — such as financing a car or selecting child care — as well as more serious problems, such as alcohol or drug addiction, divorce or relationship problems. There is no additional charge for using the program, and you do not have to have filed a disability claim or be receiving benefits to use the program.
What is not covered? <p>What is considered a pre-existing condition?</p>	<p>You have a pre-existing condition if:</p> <ul style="list-style-type: none"> <li>• You received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to your effective date of coverage; and</li> <li>• The disability begins in the first 12 months after your effective date of coverage.</li> </ul> <p>Benefits under this provision are payable for no more than 90 days of benefit from the date of disability. After 90 days, benefits are subject to a 3/12 pre-existing condition exclusion. In no event will benefits be paid beyond the applicable benefit duration. This applies to new hires.
