

How To File a Claim

Information about the claim process, including how and where to submit claims

Limited Medical coverage through Beazley Insurance Company, Inc

Limited medical insurance provides coverage, based on a set schedule of benefits for basic medical services you might need in the event of an unexpected illness or injury.

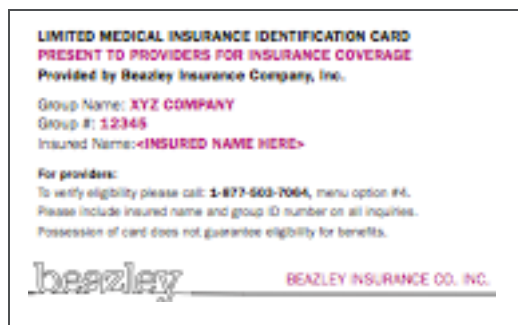

Please refer to your Limited Medical Enrollment Kit for benefit amounts and annual maximums.

ID Card and Claim Submission:

At the time of service, present your Limited Medical ID card to your medical service provider. This indicates that you have Limited Medical coverage.

Your provider will ask you to assign benefits to them. Using the information on the ID card, your provider will submit the itemized bill to Beazley on your behalf.

If your provider does not submit the itemized bill on your behalf, you will need to submit it to Beazley. (It is helpful to write the name of your employer and group number, as identified on your ID card, on the itemized bill.)

It is not necessary to submit a claim form. If further information is needed to process your claim, the Beazley claim department will request it.

The claim may be submitted via mail OR fax to:
