- you are in a Class of Eligible Employees; and
- you are an eligible, full-time Employee; and
- you normally work at least 30 hours a week; and
- you pay any required contribution.

If you were previously insured and your insurance ceased, you must satisfy the Waiting Period to become insured again. Eligibility for Dependent Insurance

You will become eligible for Dependent insurance on the later of:

- the day you become eligible for yourself; or
- the day you acquire your first Dependent.

Waiting Period

Classes of Eligible Employees

Important Information about Your Dental Plan

When you elected Dental Insurance for yourself and your Dependents, you elected one of the two options offered:

- **Cigna Dental Care; or**
- **Cigna Dental Choice**

Details of the benefits under each of the options are described in the following pages.

When electing an option initially or when changing options as described below, the following rules apply:

- **You and your Dependents may enroll for only one of the options, not for both options.**
- **Your Dependents will be insured only if you are insured and only for the same option.**

Change in Option Elected

If your plan is subject to Section 125 (an IRS regulation), you are allowed to change options only at Open Enrollment or when you experience a “Life Status Change.”

If your plan is not subject to Section 125 you are allowed to change options at any time.

Consult your plan administrator for the rules that govern your plan.

Effective Date of Change

If you change options during open enrollment, you (and your Dependents) will become insured on the effective date of the plan. If you change options other than at open enrollment (as allowed by your plan), you will become insured on the first day of the month after the transfer is processed.

Cigna Dental Care: Choice of Dental Office

If you elect Cigna Dental Care you must select a Network General Dentist and an alternate provider from a list provided by CDH. CDH will notify you if your first choice of provider

is not available and you will be assigned to the alternate provider. Each insured family member may select their own Network General Dentist.

Dental coverage only applies if:

- the dental service is received from your Network General Dentist; or
- your Network General Dentist refers you to a specialist approved by CDH; or
- the service is otherwise authorized by CDH; or
- the service is Emergency Treatment as specified in your certificate.

A transfer to a different Network General Dentist takes effect on the first day of the month after it is authorized by CDH.

Cigna Dental Choice

The Schedule

For You and Your Dependents

If you or your Dependent receive services from a Contracted Dentist, payment for a covered procedure will be based on a percentage of the Contracted Fee agreed upon by the Insurance Company and the Contracted Dentist. The insured must pay the balance up to the Contracted Fee amount.

If you or your Dependent receive services from a non-Contracted Dentist, payment for a covered procedure will be based on a percentage of the Maximum Reimbursable Charge. The insured must pay the balance up to the provider's actual charge.

Deductibles

Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.

Benefit Payment

Services of a Contracted Dentist are paid based on the Contracted Fee agreed upon by the provider and the Insurance Company.

Services of a non-Contracted Dentist are based on the Maximum Reimbursable Charge. For this plan, the Maximum Reimbursable Charge is calculated at the 90th percentile of all provider charges in the geographic area.

BENEFIT HIGHLIGHTS

Classes I, II, III Contract Year Maximum	\$1,000
Contract Year Deductible	
Individual	\$50 per person Not Applicable to Class I
Family Maximum	\$150 per family Not Applicable to Class I
Class I	
Preventive Care	80%
Class II	
Basic Restorative	60% after plan deductible
Class III	
Major Restorative	40% after plan deductible

Missing Teeth Limitation

The amount payable for the replacement of teeth that are missing when a person first becomes insured is 50% of the amount payable for the replacement of teeth that are extracted after a person has dental coverage.

This payment limitation no longer applies after 24 months of continuous coverage.

HC-MTL7

04-10
V1

Covered Dental Expense

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;
- for Class I, II or III the service is started and completed while coverage is in effect, except for services described in the "Benefits Extension" section.

Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service.

Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of

Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$200.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

Covered Services

The following section lists covered dental services. Cigna may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Cigna.

Coordination Of This Contract's Benefits With Other Benefits

The Coordination of Benefits (COB) provision applies when a person has health care coverage under more than one plan. Plan is defined below.

The order of benefit determination rules govern the order in which each plan will pay a claim for benefits. The plan that pays first is called the primary plan. The primary plan must pay benefits in accord with its policy terms without regard to the possibility that another plan may cover some expenses. The plan that pays after the primary plan is the secondary

plan. The secondary plan may reduce the benefits it pays so that payments from all plans equal 100 percent of the total allowable expense.

Definitions

(a) A "plan" is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

- (1) Plan includes: group, blanket, or franchise accident and health insurance policies, excluding disability income protection coverage; individual and group health maintenance organization evidences of coverage; individual accident and health insurance policies; individual and group preferred provider benefit plans and exclusive provider benefit plans; group insurance contracts, individual insurance contracts and subscriber contracts that pay or reimburse for the cost of dental care; medical care components of individual and group long-term care contracts; limited benefit coverage that is not issued to supplement individual or group in-force policies; uninsured arrangements of group or group-type coverage; the medical benefits coverage in automobile insurance contracts; and Medicare or other governmental benefits, as permitted by law.
- (2) Plan does not include: disability income protection coverage; the Texas Health Insurance Pool; workers' compensation insurance coverage; hospital confinement indemnity coverage or other fixed indemnity coverage; specified disease coverage; supplemental benefit coverage; accident only coverage; specified accident coverage; school accident-type coverages that cover students for accidents only, including athletic injuries, either on a "24-hour" or a "to and from school" basis; benefits provided in long-term care insurance contracts for non-medical services, for example, personal care, adult day care, homemaker services, assistance with activities of daily living, respite care, and custodial care or for contracts that pay a fixed daily benefit without regard to expenses incurred or the receipt of services; Medicare supplement policies; a state plan under Medicaid; a governmental plan that, by law, provides benefits that are in excess of those of any private insurance plan; or other nongovernmental plan; or an individual accident and health insurance policy that is designed to fully integrate with other policies through a variable deductible.

Each contract for coverage under (a)(1) or (a)(2) is a separate plan. If a plan has two parts and COB rules apply

only to one of the two, each of the parts is treated as a separate plan.

- (b) “This plan” means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with like benefits, and may apply other separate COB provisions to coordinate other benefits.

The order of benefit determination rules determine whether this plan is a primary plan or secondary plan when the person has health care coverage under more than one plan. When this plan is primary, it determines payment for its benefits first before those of any other plan without considering any other plan’s benefits. When this plan is secondary, it determines its benefits after those of another plan and may reduce the benefits it pays so that all plan benefits equal 100 percent of the total allowable expense.

- (c) “Allowable expense” is a health care expense, including deductibles, Coinsurance, and copayments, that is covered at least in part by any plan covering the person. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered an allowable expense and a benefit paid. An expense that is not covered by any plan covering the person is not an allowable expense. In addition, any expense that a health care provider or physician by law or in accord with a contractual agreement is prohibited from charging a covered person is not an allowable expense.

The following are examples of expenses that are not allowable expenses:

- (1) The difference between the cost of a semi-private hospital room and a private hospital room is not an allowable expense, unless one of the plans provides coverage for private hospital room expenses.
- (2) If a person is covered by two or more plans that do not have negotiated fees and compute their benefit payments based on the usual and customary fees, allowed amounts, or relative value schedule reimbursement methodology, or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an allowable expense.
- (3) If a person is covered by two or more plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an allowable expense.

- (4) If a person is covered by one plan that does not have negotiated fees and that calculates its benefits or services based on usual and customary fees, allowed amounts, relative value schedule reimbursement methodology, or other similar reimbursement methodology, and another plan that provides its benefits or services based on negotiated fees, the primary plan’s payment arrangement must be the allowable expense for all plans. However, if the health care provider or physician has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary plan’s payment arrangement and if the health care provider’s or physician’s contract permits, the negotiated fee or payment must be the allowable expense used by the secondary plan to determine its benefits.

- (5) The amount of any benefit reduction by the primary plan because a covered person has failed to comply with the plan provisions is not an allowable expense. Examples of these types of plan provisions include second surgical opinions, prior authorization of admissions, and preferred health care provider and physician arrangements.

- (d) “Allowed amount” is the amount of a billed charge that a carrier determines to be covered for services provided by a nonpreferred health care provider or physician. The allowed amount includes both the carrier’s payment and any applicable deductible, copayment, or Coinsurance amounts for which the insured is responsible.
- (e) “Closed panel plan” is a plan that provides health care benefits to covered persons primarily in the form of services through a panel of health care providers and physicians that have contracted with or are employed by the plan, and that excludes coverage for services provided by other health care providers and physicians, except in cases of emergency or referral by a panel member.
- (f) “Custodial parent” is the parent with the right to designate the primary residence of a child by a court order under the Texas Family Code or other applicable law, or in the absence of a court order, is the parent with whom the child resides more than one-half of the calendar year, excluding any temporary visitation.

Order Of Benefit Determination Rules

When a person is covered by two or more plans, the rules for determining the order of benefit payments are as follows:

- (a) The primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other plan.
- (b) Except as provided in (c), a plan that does not contain a COB provision that is consistent with this policy is

always primary unless the provisions of both plans state that the complying plan is primary.

- (c) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage must be excess to any other parts of the plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a closed panel plan to provide out-of-network benefits.
- (d) A plan may consider the benefits paid or provided by another plan in calculating payment of its benefits only when it is secondary to that other plan.
- (e) If the primary plan is a closed panel plan and the secondary plan is not, the secondary plan must pay or provide benefits as if it were the primary plan when a covered person uses a noncontracted health care provider or physician, except for emergency services or authorized referrals that are paid or provided by the primary plan.
- (f) When multiple contracts providing coordinated coverage are treated as a single plan under this subchapter, this section applies only to the plan as a whole, and coordination among the component contracts is governed by the terms of the contracts. If more than one carrier pays or provides benefits under the plan, the carrier designated as primary within the plan must be responsible for the plan's compliance with this subchapter.
- (g) If a person is covered by more than one secondary plan, the order of benefit determination rules of this subchapter decide the order in which secondary plans' benefits are determined in relation to each other. Each secondary plan must take into consideration the benefits of the primary plan or plans and the benefits of any other plan that, under the rules of this contract, has its benefits determined before those of that secondary plan.
- (h) Each plan determines its order of benefits using the first of the following rules that apply.
 - (1) Nondependent or Dependent. The plan that covers the person other than as a Dependent, for example as an Employee, member, policyholder, subscriber, or retiree, is the primary plan, and the plan that covers the person as a Dependent is the secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the person as a Dependent and primary to the plan covering the person as other than a Dependent, then the order of benefits between the two plans is reversed so that the plan covering the person as an Employee, member, policyholder, subscriber, or retiree is the secondary plan and the other plan is the primary plan. An example includes a retired Employee.
 - (2) Dependent Child Covered Under More Than One Plan. Unless there is a court order stating otherwise, plans covering a Dependent child must determine the order of benefits using the following rules that apply.
 - (A) For a Dependent child whose parents are married or are living together, whether or not they have ever been married:
 - (i) The plan of the parent whose birthday falls earlier in the calendar year is the primary plan; or
 - (ii) If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.
 - (B) For a Dependent child whose parents are divorced, separated, or not living together, whether or not they have ever been married:
 - (i) if a court order states that one of the parents is responsible for the Dependent child's health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. This rule applies to plan years commencing after the plan is given notice of the court decree.
 - (ii) if a court order states that both parents are responsible for the Dependent child's health care expenses or health care coverage, the provisions of (h)(2)(A) must determine the order of benefits.
 - (iii) if a court order states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the Dependent child, the provisions of (h)(2)(A) must determine the order of benefits.
 - (iv) if there is no court order allocating responsibility for the Dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - (I) the plan covering the custodial parent;
 - (II) the plan covering the spouse of the custodial parent;
 - (III) the plan covering the noncustodial parent; then

- (IV) the plan covering the spouse of the noncustodial parent.
- (C) For a Dependent child covered under more than one plan of individuals who are not the parents of the child, the provisions of (h)(2)(A) or (h)(2)(B) must determine the order of benefits as if those individuals were the parents of the child.
- (D) For a Dependent child who has coverage under either or both parents' plans and has his or her own coverage as a Dependent under a spouse's plan, (h)(5) applies.
- (E) In the event the Dependent child's coverage under the spouse's plan began on the same date as the Dependent child's coverage under either or both parents' plans, the order of benefits must be determined by applying the birthday rule in (h)(2)(A) to the Dependent child's parent(s) and the Dependent's spouse.
- (3) Active, Retired, or Laid-off Employee. The plan that covers a person as an active Employee, that is, an Employee who is neither laid off nor retired, is the primary plan. The plan that covers that same person as a retired or laid-off Employee is the secondary plan. The same would hold true if a person is a Dependent of an active Employee and that same person is a Dependent of a retired or laid-off Employee. If the plan that covers the same person as a retired or laid-off Employee or as a Dependent of a retired or laid-off Employee does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule does not apply. This rule does not apply if (h)(1) can determine the order of benefits.
- (4) COBRA or State Continuation Coverage. If a person whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another plan, the plan covering the person as an Employee, member, subscriber, or retiree or covering the person as a Dependent of an Employee, member, subscriber, or retiree is the primary plan, and the COBRA, state, or other federal continuation coverage is the secondary plan. If the other plan does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule does not apply. This rule does not apply if (h)(1) can determine the order of benefits.
- (5) Longer or Shorter Length of Coverage. The plan that has covered the person as an Employee, member, policyholder, subscriber, or retiree longer is the primary plan, and the plan that has covered the person the shorter period is the secondary plan.

- (6) If the preceding rules do not determine the order of benefits, the allowable expenses must be shared equally between the plans meeting the definition of plan. In addition, this plan will not pay more than it would have paid had it been the primary plan.

Effect On The Benefits Of This Plan

- (a) When this plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all plans are not more than the total allowable expenses. In determining the amount to be paid for any claim, the secondary plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any allowable expense under its plan that is unpaid by the primary plan. The secondary plan may then reduce its payment by the amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal 100 percent of the total allowable expense for that claim. In addition, the secondary plan must credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.
- (b) If a covered person is enrolled in two or more closed panel plans and if, for any reason, including the provision of service by a nonpanel provider, benefits are not payable by one closed panel plan, COB must not apply between that plan and other closed panel plans.

Compliance With Federal And State Laws Concerning Confidential Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this plan and other plans Cigna will comply with federal and state law concerning confidential information for the purpose of applying these rules and determining benefits payable under this plan and other plans covering the person claiming benefits. Each person claiming benefits under this plan must give Cigna any facts it needs to apply those rules and determine benefits.

Facility Of Payment

A payment made under another plan may include an amount that should have been paid under this plan. If it does Cigna may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under this plan. Cigna will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

Right Of Recovery

If the amount of the payments made by Cigna is more than it should have paid under this COB provision, it may recover the excess from one or more of the persons it has paid or for

whom it has paid or any other person or organization that may be responsible for the benefits or services provided for the covered person. The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

Expenses For Which A Third Party May Be Responsible

This plan does not cover:

- Expenses incurred by you or your Dependent (hereinafter individually and collectively referred to as a "Participant,") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.
- Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage.

Right Of Reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above, the plan is granted a right of reimbursement, to the extent of the benefits provided by the plan, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

Lien Of The Plan

By accepting benefits under this plan, a Participant:

- grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;
- agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;

- agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

Additional Terms

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan's right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- The plan's right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat the plan's recovery rights by allocating the proceeds exclusively to non-medical expense damages.
- No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan's rights hereunder, specifically; no court costs, attorneys' fees or other representatives' fees may be deducted from the plan's recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
- The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of any Participant, whether under comparative negligence or otherwise.
- In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney's fees, litigation, court costs, and other expenses. The plan shall also be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.
- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the plan shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not

limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.

Payment of Benefits

To Whom Payable

Dental Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Cigna's contracts with providers, all claims from contracted providers should be assigned.

Cigna may, at its option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

Recovery of Overpayment

When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment.

An Adverse Determination also includes a denial by Cigna of a request to cover a specific prescription drug prescribed by your Dentist. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. The specialty review will be completed and a response sent within 15 working days of the request. Specialty review is voluntary. If the specialty reviewer upholds the initial adverse determination and you remain dissatisfied, you are still eligible to request a review by an Independent Review Organization.

Retrospective Review Requirements

Notice of adverse determinations (denials only) of retrospective reviews must be made in writing to the patient within a reasonable period, not to exceed 30 days from the date of receipt.

The term retrospective review is a system in which review of the medical necessity and appropriateness of health care services provided to an enrollee is performed for the first time subsequent to the completion of such health care services. Retrospective review does not include subsequent review of services for which prospective or concurrent reviews for medical necessity and appropriateness were previously conducted.

Independent Review Procedure

If you are not fully satisfied with the decision of Cigna's Adverse Determination appeal process or if you feel your condition is life-threatening, you may request that your appeal be referred to an Independent Review Organization. In

In addition, your treating Dentist may request in writing that Cigna conduct a specialty review. The specialty review request must be made within 10 days of receipt of the Adverse Determination appeal decision letter. Cigna must complete the specialist review and send a written response within 15 days of its receipt of the request for specialty review. If the specialist upholds the initial Adverse Determination, you are still eligible to request a review by an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Cigna or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for you to initiate this independent review process and the decision to use the process is voluntary. Cigna will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by Cigna. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process. You will receive detailed information on how to request an Independent Review and the required forms you will need to complete with every Adverse Determination notice.

The Independent Review Program is a voluntary program arranged by Cigna.

I. Definitions

Capitalized terms, unless otherwise defined, have the meanings listed below.

- A. be consistent with the symptoms, diagnosis or treatment of the condition present;
- B. conform to commonly accepted standards throughout the dental field;
- C. not be used primarily for the convenience of the customer or dentist of care; and
- D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist's Usual Fees. A licensed dentist will make any such denial.

Cigna Dental - the Cigna Dental Health organization that provides dental benefits in your state as listed on the face page of this booklet.

Contract Fees - the fees contained in the Network Dentist agreement with Cigna Dental.

Covered Services - the dental procedures listed on your Patient Charge Schedule.

Dependent - your lawful spouse; your unmarried child (including newborns, adopted children (includes a child who has become the subject of a suit for adoption), stepchildren, a child for whom you must provide dental coverage under a court order; or, a dependent child who resides in your home as a result of court order or administrative placement) who is:

- less than 25 years old; or
- less than 25 years old if he or she is both:
 - a full-time student enrolled at an accredited educational institution, and
 - reliant upon you for maintenance and support; or

- any age if he or she is both:
 - incapable of self sustaining employment due to mental or physical disability; and
 - reliant upon you for maintenance and support.

A Dependent includes your grandchild if the child is your dependent for federal income tax purposes at the time of application, or a child for whom you must provide medical support under a court order.

Coverage for dependents living outside a Cigna Dental Service Area is subject to the availability of an approved network where the dependent resides.

This definition of "Dependent" applies unless modified by your Group contract.

Group - employer, labor union or other organization that has entered into a Group Contract with Cigna Dental for managed dental services on your behalf.

Network Dentist - a licensed dentist who has signed an agreement with Cigna Dental to provide general dentistry or specialty care services to you. The term, when used, includes both Network General Dentists and Network Specialty Dentists.

Network General Dentist - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide dental care services to you.

Network Specialty Dentist - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide specialized dental care services to you.

Patient Charge - the amount you owe your Network Dentist for any dental procedure listed on your Patient Charge Schedule.

Patient Charge Schedule - list of services covered under your Dental Plan and how much they cost you.

Premiums - fees that your Group remits to Cigna Dental, on your behalf, during the term of your Group Contract.

Service Area - the geographical area designated by Cigna Dental within which it shall provide benefits and arrange for dental care services, as set out in the attached list of service areas.

Spouse - the individual of the opposite sex with whom you have entered into a marriage relationship which would be considered valid under the Texas Family Code.

Subscriber/You - the enrolled employee or customer of the Group.

Usual Fee - the customary fee that an individual dentist most frequently charges for a given dental service.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must live, work or reside within the Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If the legal residence of an enrolled Dependent is different from that of the Subscriber, the Dependent must:

- A. reside in the Service Area with a person who has temporary or permanent guardianship, including adoptees or children subject to adoption, and the Subscriber must have legal responsibility for that Dependent's health care; or
- B. reside in the Service Area, and the Subscriber must have legal responsibility for that Dependent's health care; or
- C. reside in the Service Area with the Subscriber's spouse; or
- D. reside anywhere in the United States when the Dependent's coverage is required by a medical support order.

If you or your Dependent becomes eligible for Medicare, you may continue coverage so long as you or your Medicare-eligible Dependent meet all other group eligibility requirements.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order.

You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled

in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave.

Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact Customer Service through the State Relay Service located in your local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group. Your Premium is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Premiums at least 60 days before any change.

In addition to any other premiums for which the Group is liable, the Group shall also be liable for a customer's premiums from the time the customer is no longer eligible for coverage under the contract until the end of the month in which the Group notifies Cigna Dental that the customer is no longer part of the group eligible for coverage.

C. Other Charges – Patient Charges

Cigna Dental typically pays Network General Dentists fixed monthly payments for each covered customer and

supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees that you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. The Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You must pay the Patient Charge listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent children under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental

Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If on a temporary basis there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. General Care - Reimbursement

Cigna Dental Health will acknowledge your claim for covered services within 15 days and accept, deny, or request additional information within 15 business days of receipt. If Cigna Dental Health accepts your claim, reimbursement for all appropriate covered services will be made within 5 days of acceptance.

G. Emergency Dental Care - Reimbursement

Emergency dental services are limited to procedures administered in a dental office, dental clinic or other comparable facility to evaluate and stabilize emergency dental conditions of recent onset and severity accompanied by excessive bleeding, severe pain, or acute infection that would lead a prudent layperson with average knowledge of dentistry to believe that immediate care is needed.

1. **Emergency Care Away From Home** - If you have an emergency while you are out of your Service Area or unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above without restrictions as to where the

services are rendered. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge.

To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed on the front of this booklet. Cigna Dental Health will acknowledge your claim for emergency services within 15 days and accept, deny, or request additional information within 15 business days of receipt. If Cigna Dental Health accepts your claim, reimbursement for all appropriate emergency services will be made within 5 days of acceptance. Claims for non-emergency services will be processed within the same timeframes as claims for emergency services.

H. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency. If your Network General Dentist certifies to Cigna Dental that, due to medical necessity, you require certain Covered Services more frequently than the limitation allows, Cigna Dental may waive the applicable limitation.
- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday. Effective on your child's 7th birthday, dental services must be obtained from a Network General Dentist; however, exceptions for medical reasons may be considered on an individual basis.
- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.
- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.

Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.

- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations Dental Benefits

No payment will be made for expenses incurred or services received:

- for or in connection with an injury arising out of, or in the course of, any employment for wage or profit;
- for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance;
- to the extent that payment is unlawful where the person resides when the expenses are incurred or the services are received;
- for the charges which the person is not legally required to pay;
- for charges which would not have been made if the person had no insurance;
- due to injuries which are intentionally self-inflicted.

I. Services Not Covered Under Your Dental Plan

Listed below are the services or expenses which are NOT covered under your Dental Plan and which are your responsibility at the dentist's Usual Fees. There is no coverage for:

- cosmetic dentistry or cosmetic dental surgery (dentistry or dental surgery performed solely to improve appearance) unless specifically listed on your Patient Charge Schedule. If bleaching (tooth whitening) is listed on your Patient Charge Schedule, only the use of take-home bleaching gel with trays is covered; all other types of bleaching methods are not covered.
- general anesthesia, sedation and nitrous oxide, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV Sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon or Periodontist. - replacement of fixed and/or removable appliances (including fixed and removable orthodontic appliances) that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.
- surgical placement of a dental implant, repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant, unless specifically listed on your Patient Charge Schedule.
- services considered to be unnecessary or experimental in nature or do not meet commonly accepted dental standards.
- procedures or appliances for minor tooth guidance or to control harmful habits.

(Benefits are available for Network Dentist charges for Covered Services performed at a hospital. - crowns, bridges and/or implant supported prosthesis used solely for splinting.
- resin bonded retainers and associated pontics.
- consultations and/or evaluations associated with services that are not covered.

- localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.
- any localized delivery of antimicrobial agent procedures when more than eight (8) of these procedures are reported on the same date of service.
- infection control and/or sterilization. Cigna Dental considers this to be incidental to and part of the charges for services provided and not separately chargeable.
- the recementation of any inlay, onlay, crown, post and core, or fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within the timeframe to be incidental to and part of the charges for the initial restoration.
- the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within the timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

- services to correct congenital malformations, including the replacement of congenitally missing teeth.
- the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on your Patient Charge Schedule.

Pre-existing conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients. If you must change your appointment, please contact your dentist at least 24 hours before the scheduled time.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer at no charge. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer will take about 5 days to process. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

Network Dentists are Independent Contractors. Cigna Dental cannot require that you pay your Patient Charges before processing of your transfer request; however, it is suggested that all Patient Charges owed to your current Dental Office be paid prior to transfer.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children's dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

Contact your Benefit Administrator for more information.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX. B, *Orthodontics*. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you

must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, you must pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- a. **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
- b. **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- c. **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- d. **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or

treatment a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges - You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- b. orthognathic surgery and associated incremental costs;
- c. appliances to guide minor tooth movement;
- d. appliances to correct harmful habits; and
- e. services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

4. Orthodontics in Progress - If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or

tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start With Customer Service

We are here to listen and to help. If you have a question about your Dental Office or the Dental Plan, you can call the toll-free number to reach one of our Customer Service Representatives. We will do our best to respond upon your initial contact or get back to you as soon as possible, usually by the end of the next business day. You can call Customer Service at 1-800-Cigna24 or you may write P.O. Box 188047, Chattanooga, TN 37422-8047.

If you are unable to undergo dental treatment in an office setting or under local anesthesia due to a documented physical, mental, or medical reason as determined by the dentist providing you dental care, please contact Cigna at 1-800-Cigna24 and we will assist you in getting the care you need.

B. Appeals Procedure

1. Problems Concerning Plan Benefits, Quality of Care, or Plan Administration

The Dental Plan has a two-step procedure for complaints and appeals.

a. Level One Review (“Complaint”)

For the purposes of this section, a complaint means a written or oral expression of dissatisfaction with any aspect of the Dental Plan’s operation. A complaint is not (1) a misunderstanding or misinformation that is

resolved promptly by supplying the appropriate information or clearing up a misunderstanding to your satisfaction; nor (2) you or your dentist’s dissatisfaction or disagreement with an Adverse Determination.

To initiate a complaint, submit a request in writing to the Dental Plan stating the reason why you feel your request should be approved and include any information supporting your request. If you are unable or choose not to write, you may ask Customer Service to register your request by calling the toll-free number.

Within 5 business days of receiving your complaint, we will send you a letter acknowledging the date the complaint was received, a description of the complaint procedure and timeframes for resolving your complaint. For oral complaints, you will be asked to complete a one-page complaint form to confirm the nature of your problem or to provide additional information.

Upon receipt of your written complaint or one-page complaint form, Customer Service will review and/or investigate your problem. Your complaint will be considered and the resolution made by someone not involved in the initial decision or occurrence. Issues involving clinical appropriateness will be considered by a dental professional. A written resolution will be provided to you within 30 calendar days. If applicable, the written resolution will include a statement of the specific dental or contractual reasons for the resolution, the specialization of any dentist consulted, and a description of the appeals process, including the time frames for the appeals process and final decision of the appeal. If you are not satisfied with our decision, you may request an appeal.

b. Level Two Review (“Appeal”)

Cigna Dental will acknowledge your appeal in writing within 5 business days. The acknowledgment will include the name, address, and telephone number of the Appeals Coordinator. The review will be held at Cigna Dental Health’s administrative offices or at another location within the Service Area, including the location where you normally receive services, unless you agree to another site.

Additional information may be requested at that time. Second level reviews will be conducted by an Appeals Committee, which will include:

- (1) An employee of Cigna Dental Health;
- (2) A dentist who will preside over the Appeals Panel; and
- (3) An enrollee who is not an employee of Cigna Dental Health.

Anyone involved in the prior decision may not vote on the Appeals Committee. If specialty care is in dispute, the Committee will include a dentist in the same or similar specialty as the care under consideration, as determined by Cigna Dental. The review will be held and you will be notified in writing of the Committee's decision within 30 calendar days.

Cigna Dental will identify the committee members to you and provide copies of any documentation to be used during the review no later than 5 business days before the review, unless you agree otherwise. You, or your designated representative if you are a minor or disabled, may appear in person or by conference call before the Appeals Committee; present expert testimony; and, request the presence of and question any person responsible for making the prior determination that resulted in your appeal.

Please advise Cigna Dental 5 days in advance if you or your representative plans to be present. Cigna Dental will pay the expenses of the Appeals Committee; however, you must pay your own expenses, if any, relating to the Appeals process including any expenses of your designated representative.

The appeal will be heard and you will be notified in writing of the committee's decision within 30 calendar days from the date of your request. Notice of the Appeals Committee's decision will include a statement of the specific clinical determination, the clinical basis and contractual criteria used, and the toll-free telephone number and address of the Texas Department of Insurance.

2. Problems Concerning Adverse Determinations

a. Appeals

For the purpose of this section, a complaint concerning an Adverse Determination constitutes an appeal of that determination. You, your designated representative, or your dentist may

appeal an Adverse Determination orally or in writing. We will acknowledge the appeal in writing within 5 working days of receipt, confirming the date we received the appeal, outlining the appeals procedure, and requesting any documents you should send us. For oral appeals, we will include a one-page appeal form.

Appeal decisions will be made by a licensed dentist; provided that, if the appeal is denied and your dentist sends us a letter showing good cause, the denial will be reviewed by a specialty dentist in the same or similar specialty as the care under review. The specialty review will be completed within 15 working days of receipt.

We will send you and your dentist a letter explaining the resolution of your appeal as soon as practical but in no case later than 30 calendar days after we receive the request. If the appeal is denied, the letter will include:

- (1) the clinical basis and principal reasons for the denial;
- (2) the specialty of the dentist making the denial;
- (3) a description of the source of the screening criteria used as guidelines in making the adverse determination; and
- (4) notice of the rights to seek review of the denial by an independent review organization and the procedure for obtaining that review.

b. Independent Review Organization

If the appeal of an Adverse Determination is denied, you, your representative, or your dentist have the right to request a review of that decision by an Independent Review Organization ("IRO".) The written denial outlined above will include information on how to appeal the denial to an IRO, and the forms that must be completed and returned to us to begin the independent review process.

In life-threatening situations, you are entitled to an immediate review by an IRO without having to comply with our procedures for internal appeals of Adverse Determinations. Call Customer Service to request the review by the IRO if you have a life-threatening condition and we will provide the required information.

In order to request a referral to an IRO, the reason for the denial must be based on a medical necessity determination by Cigna Dental.

Administrative, eligibility or benefit coverage limits are not eligible for additional review under this process.

c. Expedited Appeals

You may request that the above complaint and appeal process be expedited if the timeframes under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary.

Investigation and resolution of expedited complaints and appeals will be concluded in accordance with the clinical immediacy of the case but will not exceed 1 business day from receipt of the complaint. If an expedited appeal involves an ongoing emergency, you may request that the appeal be reviewed by a dental professional in the same or similar specialty as the care under consideration.

d. Filing Complaints with the Texas Department of Insurance

Any person, including persons who have attempted to resolve complaints through our complaint system process and who are dissatisfied with the resolution, may file a complaint in writing with the Texas Department of Insurance at P.O. Box 149091, Austin, Texas 78714-9091, or you may call their toll-free number, 1-800-252-3439.

The Department will investigate a complaint against Cigna Dental to determine compliance with insurance laws within 30 days after the Department receives your complaint and all information necessary for the Department to determine compliance. The Department may extend the time necessary to complete an investigation in the event any of the following circumstances occur:

- (1) additional information is needed;
- (2) an on-site review is necessary;
- (3) we, the physician or dentist, or you do not provide all documentation necessary to complete the investigation; or
- (4) other circumstances occur that are beyond the control of the Department.

Cigna Dental cannot retaliate against a Network General Dentist or Network Specialty Dentist for

filing a complaint or appealing a decision on your behalf. Cigna Dental will not cancel or refuse to renew coverage because you or your Dependent has filed a complaint or appealed a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a Dentist.

XII. Treatment In Progress

A. Treatment In Progress For Procedures Other Than Orthodontics

If your dental treatment is in progress when you enroll in the Cigna Dental Plan, you should check to make sure your dentist is in the Cigna Dental Plan Network by contacting Customer Service at 1-800-Cigna24. You can elect a new dentist at this time. If you do not, your treatment expenses will not be covered by the Cigna Dental Plan.

B. Treatment in Progress For Orthodontics

If orthodontic treatment is in progress for you or your Dependent at the time you enroll in this Dental plan, the copays listed on your Patient Charge Schedule do not apply to treatment that is already in progress. This is because your enrollment in this Dental plan does not override any obligation you or your Dependent may have under any agreement with an Orthodontist prior to your enrollment. Cigna may make a quarterly contribution toward the completion of your treatment, even if your Orthodontist does not participate in the Cigna Dental Health network. Cigna's contribution is based on the Patient Charge Schedule selected by your Employer and the number of months remaining to complete your interceptive or comprehensive treatment, excluding retention. Please call Customer Service at 1-800-Cigna24 to obtain an Orthodontics in Progress Information Form. You and your Orthodontist should complete this form and return it to Cigna to receive confirmation of Cigna's contribution.

XIII. Disenrollment From the Dental Plan Termination of Benefits

Except as otherwise provided in the Sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan/termination of benefits and coverages will be as follows:

A. Termination of Your Group

1. due to nonpayment of Premiums, coverage shall remain in effect for 30 days after the due date of the

Premium. If the late payment is received within the 30-day grace period, a 20% penalty will be added to the Premium. If payment is not received within the 30 days, coverage will be canceled on the 31st day and the terminated customers will be liable for the cost of services received during the grace period.

2. either the Group or Cigna Dental Health may terminate the Group Contract, effective as of any renewal date of the Group Contract, by providing at least 60 days prior written notice to the other party.

B. Termination of Benefits For You and/or Your Dependents

1. the last day of the month in which Premiums are not paid to Cigna Dental.
2. the last day of the month in which eligibility requirements are no longer met.
3. the last day of the month in which your Group notifies Cigna Dental of your termination from the Dental Plan.
4. the last day of the month after voluntary disenrollment.
5. upon 15 days written notice from Cigna Dental due to fraud or intentional material misrepresentation or fraud in the use of services or dental offices.
6. immediately for misconduct detrimental to safe plan operations and delivery of services.
7. for failure to establish a satisfactory patient-dentist relationship, Cigna Dental will give 30 days written notification that it considers the relationship unsatisfactory and will specify necessary changes. If you fail to make such changes, coverage may be cancelled at the end of the 30-day period.
8. upon 30 days notice, due to neither residing, living nor working in the Service Area. Coverage for a dependent child who is the subject of a medical support order cannot be cancelled solely because the child does not reside, live or work in the Service Area.

When coverage for one of your Dependents ends, you and your other Dependents may continue to be enrolled. When your coverage ends, your Dependents coverage will also end.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

Under Texas law you may also choose continuation coverage for you and your Dependents if coverage is terminated for any reason except your involuntary termination for cause and if you or your Dependent has been continuously covered for 3 consecutive months prior to the termination. You must request continuation coverage from your Group in writing and pay the monthly Premiums, in advance, within 60 days of the date your termination ends or the date your Group notifies you of your rights to continuation. If you elect continuation coverage, it will not end until the earliest of:

- A. 9 months after the date you choose continuation coverage if you or your dependents are not eligible for COBRA.
- B. 6 months after the date you choose continuation coverage if you or your dependents are eligible for COBRA;
- C. the date you and/or your Dependent becomes covered under another dental plan;
- D. the last day of the month in which you fail to pay Premiums; or
- E. the date the Group Contract ends.

You must pay your Group the amount of Premiums plus 2% in advance on a monthly basis. You must make the first premium payment no later than the 45th day following your election for continued coverage. Subsequent premium payments will be considered timely if you make such payments by the 30th day after the date that payment is due.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date your Group coverage ended. You and your enrolled Dependents are

eligible for conversion coverage unless benefits were discontinued due to:

- A. permanent breakdown of the dentist-patient relationship;
- B. fraud or misuse of dental services and/or Dental Offices;
- C. nonpayment of Premiums by the Subscriber; or
- D. selection of alternate dental coverage by your Group.

Benefits for conversion coverage will be based on the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Premiums will be the Cigna Dental conversion premiums in effect at the time of conversion. Conversion premiums may not exceed 200% of Cigna Dental's premiums charged to groups with similar coverage. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24 or via the Internet at myCigna.com.

XVIII. Miscellaneous

- A. As a Cigna Dental plan customer you may also be eligible for additional dental benefits during certain health conditions. For example, certain frequency limitations for dental services may be relaxed for pregnant women and customers participating in certain disease management programs. Please review your plan enrollment materials for details.
- B. **Notice:** Any notice required by the Group Contract shall be in writing and mailed with postage fully prepaid and addressed to the entities named in the Group Contract.
- C. **Incontestability:** All statements made by a Subscriber on the enrollment application shall be considered representations and not warranties. The statements are considered to be truthful and are made to the best of the Subscriber's knowledge and belief. A statement may not be used in a contest to void, cancel, or non-renew an enrollee's coverage or reduce benefits unless it is in a written enrollment application signed by you, and a signed copy of the enrollment application is or has been furnished to you or your personal representative.

This Certificate of Coverage may only be contested because of fraud or intentional misrepresentation of material fact on the enrollment application.

- D. **Entire Agreement:** The Contract, Pre-Contract Application, amendments and attachments thereto represent the entire agreement between Cigna Dental Health and your Group. Any change in the Group Contract must be approved by an officer of Cigna Dental Health and attached thereto; no agent has the authority to change the Group Contract or waive any of its provisions. In the event this Certificate contains any provision not in conformity with the Texas Health Maintenance Organization Act (the Act) or other applicable laws, this Certificate shall not be rendered invalid but shall be construed and implied as if it were in full compliance with the Act or other applicable laws.
- E. **Conformity With State Law:** If this Certificate of Coverage contains any provision not in conformity with the Texas Insurance Code Chapter 1271 or other applicable laws, it shall not be rendered invalid but shall be considered and applied as if it were in full compliance with the Texas Insurance Code Chapter 1271 and other applicable laws.

Federal Requirements

The following Federal Requirement section is not part of your group insurance certificate. The following pages explain your rights and responsibilities under federal laws and regulations. Some states may have similar requirements. If a similar provision appears elsewhere in your group insurance certificate, the provision which provides the better benefit will apply.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and

Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 31 days of the following:

- the date you meet the criteria shown in the following Sections B through H.

B. Change of Status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;

- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer's Plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

G. Reduction in work hours

If an Employee's work hours are reduced below 30 hours/week (even if it does not result in the Employee losing eligibility for the Employer's coverage); and the Employee (and family) intend to enroll in another plan that provides Minimum Essential Coverage (MEC). The new coverage must be effective no later than the 1st day of the 2nd month following the month that includes the date the original coverage is revoked.

H. Enrollment in Qualified Health Plan (QHP)

The Employee must be eligible for a Special Enrollment Period to enroll in a QHP through a Marketplace or the Employee wants to enroll in a QHP through a Marketplace during the Marketplace's annual open enrollment period; and the disenrollment from the group plan corresponds to the

intended enrollment of the Employee (and family) in a QHP through a Marketplace for new coverage effective beginning no later than the day immediately following the last day of the original coverage.

HC-FED91

04-17

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

HC-FED67

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

HC-FED13

10-10

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED17

10-10

Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be

available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;

- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must

be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event.

COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.
