

THE NEED FOR LIFE INSURANCE

Protecting the ones you care about most

“How will my loved ones be taken care of when I’m gone?” This question isn’t something anyone wants to think about, but if someone depends on you for financial support, then life insurance is your answer.

Income protection for your loved ones

No matter what your current situation is: single, married, with or without children; life insurance helps replace your income, and will assist your family in paying final expenses. It will also allow your loved ones to continue any future plans, such as college education or savings.

Why you need it

There are several reasons you need life insurance. In addition to paying for burial expenses, consider life insurance an option to pay for the mortgage, medical expenses and fund college education. If you work or have savings, then you have the income to pay these bills. However, consider what happens when your loved ones no longer have your financial support.

How much is enough

Figuring out how much life insurance you need is hard to decide. You want to make sure you have enough to protect your family. To help you answer this question, use the calculator to estimate your expenses to think about which bills would need income protection.

Estimate your expenses below

Income and possessions	Amount
Annual income	
Number of years until retirement	
Subtotal <i>(annual income x years)</i>	
Debt and final expenses	
Mortgage/rent	
Credit card(s), car payment(s), etc.	
Funeral and burial expenses (\$7,000 is a good estimate)	
Subtotal <i>(debt)</i>	
Educational costs	
College expenses <i>(Approximately \$32,405/year for private, \$9,410 for state residents at public schools and \$23,893 for out-of-state residents attending public universities)</i>	
Subtotal <i>(education)</i>	
Total needed for your life insurance	\$

Typically, life insurance offered through work is less expensive than if you purchased it on your own. Consider purchasing life insurance today.
