Max BuilderSM

This dental plan includes a valuable feature that allows qualifying plan participants to carryover part of their unused annual maximum. A participant earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. In addition, a person earning dental rewards who submits a claim for services received through the dental contracted provider network earns an extra reward, called the PPO Bonus. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan participant doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	\$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Max Builder amount is added to the following year's maximum
Annual PPO Bonus	\$100	Additional bonus is earned if the participant sees a Contracted Provider
Maximum Carryover	\$1,000	Maximum possible accumulation for Max Builder and PPO Bonus combined

Dental Network Information

Employees and dependents have access to an extensive nationwide network of member dentists. The cost-saving benefits of visiting a network member provider are automatically available to all employees and dependents who are covered by any of The Standard's dental plans and who live in areas where the nationwide network is available. To find member dentists in your area, visit <http://www.standard.com/services> and click on "Find a Dentist."

Dental Network

In Texas, our network and plans are referred to as the Ameritas Dental Network.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on January 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

Submitting a claim

Your policy requires all claims be received by The Standard within 90 days of the date of service. You may submit a claim, or your Dentist can file your claim on your behalf and you can assign payment to your Dentist. If the 90 day deadline is missed, you will be responsible for covering the cost of the service. *Requirements for claims submission vary by state, please consult your group certificate for details.

Prior Extraction Limitation

Your policy has a prior extraction limitation, also known as the "missing tooth clause". This means that if you had a tooth extracted prior to enrolling in your plan with The Standard, we may or may not pay for any benefits towards replacing that tooth. Please review your policy or contact Customer Service for details.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.
