

# Group Additional Life and AD&D Insurance

Help protect your loved ones from financial hardship.

Life insurance coverage is designed to help provide financial support and stability to your family should you pass away. Accidental Death & Dismemberment (AD&D) insurance provides an extra layer of protection if you die or become dismembered in an accident. You can also cover your eligible spouse and child(ren).

## This plan offers:

- Competitive group rates
- The convenience of payroll deduction
- Benefits if you are dismembered, become terminally ill or die
- A special Guarantee Issue enrollment opportunity this year. See Open Enrollment section for additional details.

## 🔗 About This Coverage

If you take no action you'll be covered under Basic Life insurance provided you meet the eligibility requirements. Consider whether that would be enough to help your family meet daily expenses, maintain their standard of living, pay off debt and fund your children's education. If not, you may want to apply for additional coverage now.

Life Insurance		
<b>How Much Can I Apply For?</b> The coverage amount for your spouse cannot exceed 50 percent of your Additional Life coverage.	For You:	<b>\$10,000 – \$500,000</b> in increments of <b>\$10,000</b>
	For Your Spouse:	<b>\$5,000 – \$250,000</b> in increments of <b>\$5,000</b>
	For Your Child(ren):	<b>\$10,000</b>
<b>What is the Guarantee Issue Maximum?</b> Depending on your eligibility, this is the maximum amount of coverage you may apply for during initial enrollment without answering health questions.	For You:	Up to <b>\$150,000</b>
	For Your Spouse:	Up to <b>\$50,000</b>

### AD&D Insurance

The benefit is paid if you or your spouse are seriously injured or pass away as a result of a covered accident.

#### What Does My AD&D Benefit Provide?

Note: You can't buy more coverage for your spouse than you buy for yourself.

For You:

The AD&D insurance coverage amount matches what you elect for Additional Life insurance.

For Your Spouse:

The AD&D insurance coverage amount matches what you elect for Dependents Life insurance.

Keep in mind that the amount payable for certain losses is less than 100 percent of the AD&D insurance benefit.

See the Important Details section for more information, including requirements, exclusions, age reductions and definitions.

## How Much Life Insurance Do You Need?

After a serious accident or death in the family, there are many unexpected expenses. Your benefits could help your family pay for:

- Outstanding debt
- Burial expenses
- Medical bills
- Your children's education
- Daily expenses

To estimate your insurance needs, you'll need to consider your unique circumstances. Use our online calculator at [www.standard.com/life/needs](http://www.standard.com/life/needs).

## How Much Your Coverage Costs

Your Basic Life insurance is paid for by Terrell Independent School District. If you choose to purchase Additional Life coverage, you'll have access to competitive group rates, which may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on a number of factors, such as your age and the benefit amount.

**Use this formula to calculate your premium payment:**

$$\frac{\text{Enter the amount of coverage you are requesting (see benefit amounts in the About This Coverage section)}}{1000} = \text{_____} \times \text{Enter your rate from the rate table.} = \text{This amount is an estimate of how much you would pay each month.}$$

If you buy coverage for your spouse, your monthly rate is shown in the table below. Use the same formula to calculate the premium that you used for yourself, but use your age and your spouse's rate.

If you buy Dependents Life coverage for your child(ren), your monthly rate is \$0.10 per \$1,000, no matter how many children you're covering.
