In order to purchase life and AD&D coverage for your dependents, you must buy coverage for yourself.</p>
Can I be denied coverage?	<p>If you and your eligible dependents enroll before the enrollment deadline, you may apply for any amount of coverage up to \$400,000 for yourself and any amount of coverage up to \$60,000 for your spouse, without answering any medical questions.</p> <p>If you want coverage over the amount you are guaranteed, you will need to provide answers to health questions. In addition, if you and your eligible dependents do not enroll during this enrollment period, you will have to wait for a future annual enrollment period to apply — and then you will need to answer health questions for the entire amount of coverage you apply for.</p> <p>New employees: To apply for coverage, complete your enrollment within 31 days of your eligibility period. If you apply for coverage after 31 days, or if you choose coverage over the amount you are guaranteed, you will need to complete a medical questionnaire which you can get from your plan administrator. You may also be required to take certain medical tests at Unum’s expense. Insurance coverage over the guaranteed amount(s) will be subject to answers to health questions.</p>
Why buy now?	As long as you buy \$10,000 of life coverage now, you can buy more coverage later – up to \$400,000 - without answering any medical questions.
How do I apply?	Please see your plan administrator.

When is coverage effective?¹

Please see your plan administrator for your effective date.

Insurance coverage will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

For your dependent spouse and children, insurance coverage will be delayed if that dependent is totally disabled on the date that insurance would otherwise be effective. Totally disabled means that as a result of an injury, sickness or disorder, your dependent spouse and children: are confined in a hospital or similar institution or are confined at home under the care of a physician for a sickness or injury. Exception: Infants are insured from live birth.
