

Save More with a Network Dentist

Elite Plus

United Concordia's large, nationwide dentist network, combined with our knowledge of local markets, means you can find affordable, quality care with great service no matter where you live.

What Is a Network Dentist?

Network dentists agree to accept United Concordia's discounted fees as payment in full for covered services. Non-network dentists can charge you more. This means you'll lower your out-of-pocket expense using a network dentist.

You can still receive care from any licensed dentist. But your benefits may differ and your out-of-pocket costs could be higher with a non-network dentist. Using a network dentist maximizes your dental benefits because they:

Save money—A network dentist saves you the difference between our negotiated fees and the dentist's regular charges. And, you stretch your benefit dollars by getting more services before reaching your annual maximum.

Save time—Network dentists file your claims for you, saving you time and the hassle of paperwork.

Save worry—Every network dentist goes through a rigorous review, so you know you're getting high-quality care.

You Can Find Quality Care No Matter Where You Live

Finding YOUR dentist—It's not just about finding a dentist; it's about finding YOUR dentist. While our vast network includes 117,000 dentists,* we also understand your local market. We research the facilities and costs in your area, and carefully screen and qualify each dentist to help you get the best dental care.

How to find a dentist—It's simple to search, compare and get directions to an **Elite Plus** network dentist with the **Find a Dentist** tool on UnitedConcordia.com. Once you have clicked the "Find a Dentist" button on the home page and searched by location or dentist name, be sure to select "**Elite Plus**" in the "Dental Network" drop down area.

If your dentist is not in our network, and you'd like him or her to participate, go to the **Members** section of UnitedConcordia.com, select **Forms**, and click **Nominate Your Dentist**.
