# *Lincoln DentalConnect* DHMO *Dental Plan*

*Please* take a moment to review this provider directory. Lincoln Financial Group wants to make sure you are satisfied with your dental benefits. For questions regarding the *Lincoln DentalConnect* DHMO plan, please contact the Member Services Department.

---

## *Your dental directory*

We have included an extensive directory of network dentists located throughout the community. The dentist information that can be found within this directory includes:

- Name, location and phone number
- Foreign languages spoken, if any
- Wheelchair accessibility
- Whether or not the office is accepting new patients

This directory contains a listing of primary care dentists only. Please refer to your enrollment information for details on coverage for specialty care.

Should you have questions, please call the toll-free number listed in your enrollment information.

## *Meeting our quality standards*

You can have confidence knowing you are receiving care from dentists who have been carefully selected for participation in our network. All network dentists undergo a rigorous review and credentialing process prior to being accepted into our network, which includes the following major elements:

- Dentist education, training and experience
- Licensure, certification and other regulatory considerations
- Malpractice history

This process confirms that each dentist has the required credentials to participate in the network.

Lincoln Financial Group cannot guarantee the continuing participation of dentists currently listed in this directory. The network of dentists may occasionally change. We recommend that you call the Member Services Department to verify that a dentist is currently participating in the network prior to seeking care.

## **DISCLOSURE OF PROVIDER STATUS**

As required by Chapter 1456 of the Texas Insurance Code, this notice provides information regarding the status of providers that you may access for care.

Some of the providers that offer services at contracted facilities may not be contracted with us or our Dental DHMO Network. Facilities can be a hospital, emergency clinic, outpatient clinic, or other facility that provides dental care services.

If you receive dental health services at or through a contracted facility and the providers who provide that care are not contracted with us or our Dental DHMO Network, the services may be denied or paid at the non-network level. In those cases, you may be responsible for payment of all or part of the fees for those services.

In these situations, the facility or non-contracted provider can balance bill you. Balance billing is the practice of charging enrollees the amount a health benefit plan does not pay for non-covered or non-network covered services.

Should you have a complaint regarding payments of dental services, you may contact the Texas Department of Insurance Consumer Protection Division at 1-800-252-3439.
