METLIFE OPTIONAL LIFE

Life insurance is a cost-effective way to protect your family and your finances. It helps ensure your short-and long-term financial obligations could be met if something unforeseen happens to you.

CHUBB ACCIDENT

No one plans on getting injured...but just in case. We've got you covered. Chubb Accident pays cash benefits directly to you or anyone you choose regardless of any other coverage you have. And Chubb Accident pays extra benefits for injuries resulting from participating in organized sports 25% up to \$1,000 per person, per year.

APL CANCER

Cancer insurance offers you and your family supplemental insurance protection in the event you or a covered family member are diagnosed with cancer. It pays a benefit directly to you to help with expenses associated with cancer treatment.

TEXAS LIFE

Voluntary permanent life insurance can be an ideal complement to the group term and optional term life insurance your employer provides. This universal life product is yours to keep, even when you change jobs or retire as long as you pay the necessary premium.

EECU HSA

A Health Savings Account (HSA) is a personal savings account where the money can only be used for eligible medical expenses. Unlike a flexible spending account (FSA), the money rolls over year to year however only those funds that have been deposited in your account can be used. Contributions to a Health Savings Account can only be used if you are also enrolled in a High Deductible Health Plan (HDHP).

HIGGINBOTHAM FSA

A Flexible Spending Account allows you to pay for eligible healthcare expenses with a pre-funded debit card. You choose the amount to set aside from your paycheck every plan year, based on the IRS annual plan limit. Any remaining funds after the plan year ends and the 61 day grace period provision, will be forfeited as use it or lose it.
