

MOBILE ACCESS

Benefits at Your Fingertips

You can access your employee account information on your smartphone with the mobile app for iPhone and Android.

Locating and Loading the Mobile App

Simply search for "Higginbotham" on the App Store™ for Apple products or on the Google Play™ Store for Android products, and then load as you would any other app.

What You Can Do with the Mobile App

- View detailed account and balance information
- View card activity
- File a claim and upload receipt photos directly from your smartphone
- Set up email notifications to keep you up-to-date on all account and health debit card activity

How to Use the Mobile App

Logging In

Use the same username and password you use to log in to flexservices.higginbotham.net.

After logging in, you will be on the home page, which will list your options.

Getting Help

Click the Help button at the bottom right of all pages to access contact information for your administrator, who will be able to provide assistance.

Going Home

Press the Home button at the bottom left corner of any page to return to the home page and start over.
