

Experian My Financial Expert Employee Onboarding Experience

Employees will receive an initial welcome email that is personal to each employee inviting and encouraging them to login:

Complete Enrollment Now

Dear Daniel,

Congratulations on taking the first step to protecting your finances and identity!

Set up your account now to complete the enrollment process and activate Experian™ My Financial Expert.

- Begin by verifying your identity.
- Next, add the personal data you want us to monitor.
- We'll notify you by email if we find a match to your monitored information.

Complete Enrollment Now

Sincerely,

Experian™ My Financial Expert

Employees will then create login credentials for their portal:

Submit

Once logged in, on the home page employees can simply scroll down to enter additional information and add family for monitoring. This includes inputting info for monitoring on the Dark Web, single click locking of their credit file, and adding children and adult family members. Children under 18 are added by entering their name, DOB and SSN. Any children or adults over 18 are easily added on the right by putting their Name and email address. They will then receive their own email invitation to login.

 Identity Monitoring

[View Details](#)

We're actively monitoring across the web.

We perform 6 different scans daily to monitor your credit cards, passports, phone numbers, and more for suspicious activity in places like the Dark Web.

You and Your Children

Keep an eye on the status of you and your children's financial and personal information.

Welcome back, Caleb!

We found a few things. Let's review these together.

 You have **new alerts**. Let's review together. >
